Agenda – Council – July 18, 2024

Report – Standing Policy Committee on Water, Waste and Environment – June 28, 2024

Item No. 7 Delegation of Authority for Green Municipal Fund Application

STANDING COMMITTEE RECOMMENDATION:

On July 9, 2024, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Water, Waste and Environment and submitted the following to Council:

1. That the Director of Water and Waste be delegated the authority to co-sign Save our Seine's Green Municipal Fund application to undertake a feasibility study to implement green infrastructure on private property within the Seine River watershed.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Report – Standing Policy Committee on Water, Waste and Environment – June 28, 2024

DECISION MAKING HISTORY:

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On July 9, 2024, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Water, Waste and Environment and submitted the matter to Council.

STANDING COMMITTEE RECOMMENDATION:

On June 28, 2024, the Standing Policy Committee on Water, Waste and Environment concurred in the recommendation of the Riel Community Committee and submitted the matter to the Executive Policy Committee and Council.

COMMUNITY COMMITTEE RECOMMENDATION:

On June 24, 2024, the Riel Community Committee passed the following motion:

WHEREAS the City of Winnipeg is committed to incorporating Green Infrastructure into its Combined Sewer Overflow Master Plan implementation;

AND WHEREAS Save our Seine River Environment Inc is exploring green infrastructure initiatives in Winnipeg;

AND WHEREAS the Federation of Canadian Municipalities has a Green Municipal Fund that provides funding for non-profit organizations, that are backed by municipalities, to undertake projects that enhance long-term climate resilience;

THEREFORE BE IT RESOLVED that the Standing Policy Committee on Water, Waste and Environment support a delegation of authority to the Director of Water and Waste to co-sign Save our Seine's Green Municipal Fund application to undertake a feasibility study to implement green infrastructure on private property within the Seine River watershed.
