Submitted: Wed, 07/17/2024 - 10:43

Delegation information
Committee you want to address
Council

Agenda item you want to address (number and title)
epc 14 arts

I am opposed to the recommendations

Comments
As city hall struggles to fund basic operations, making changes to increase spending elsewhere is clearly counter-indicated. The privately owned arts and social services companies should understand that spending on staff is not a core city function, in the way that pot-hole repair is. Will you message them so?
