Neighborhood Services – L1 Proposal

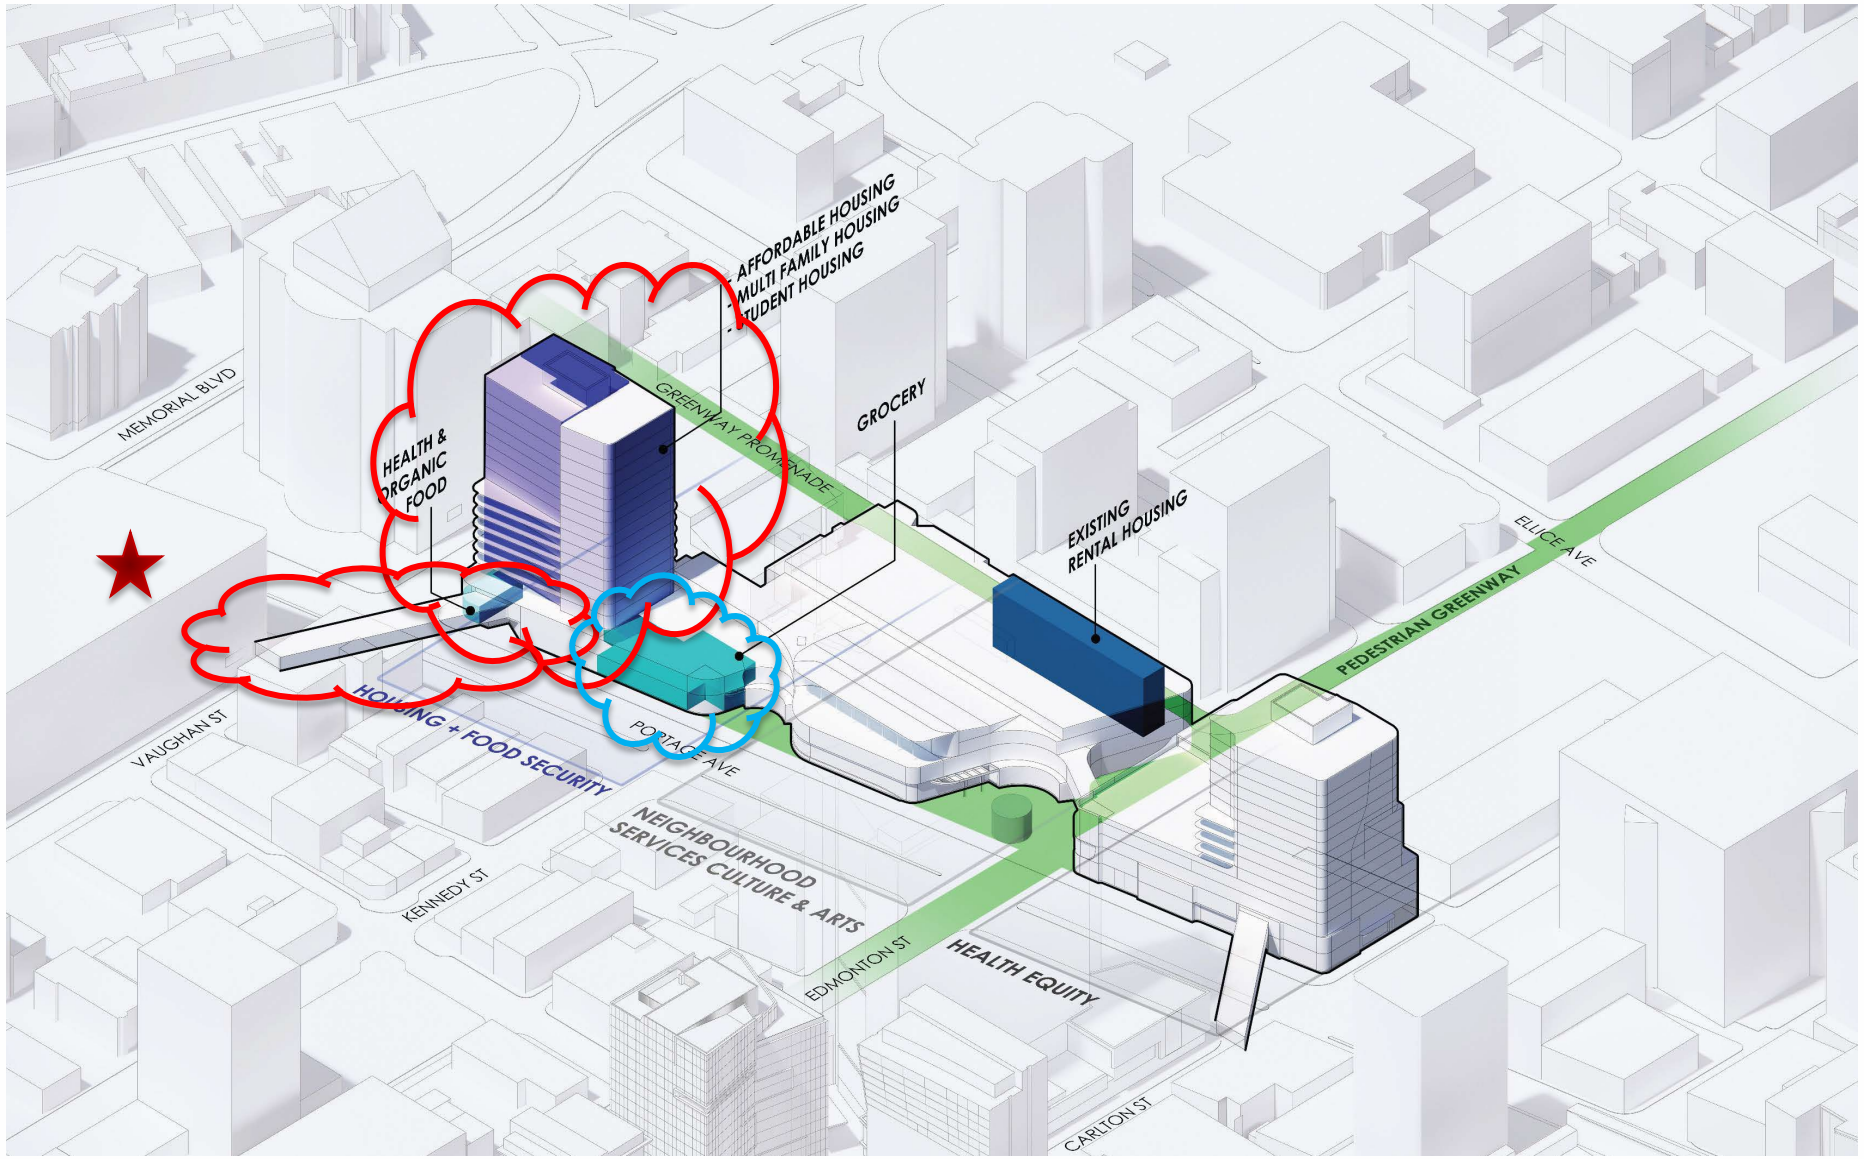

Neighborhood Services – L2 Proposal

Neighborhood Services – L3 Proposal

Multi-Family & Affordable Housing & Food Security

Multi-Family Housing by Non-Profit Organization

- Will be delivered by a newly created Non-Profit Organization – TN/SCO Housing 92 Inc. (equal representation by TN and SCO)
- Mandate of NPO to deliver Affordable Housing
  - Profits will either be reinvested into the property or can be deployed into delivery of additional units
- Market, Affordable (Rent < 80% of median market rent); Accessible Units
  - Target 200+ units over 15 floors with ~15 units per floor
- The NPO will be responsible for:
  - applying for and securing all necessary funding to complete project, i.e. Housing Accelerator Fund (HAF), CMHC, other, etc.
  - sourcing of land; working capital;
  - executing and overseeing design and construction contracts, oversight and management going forward
- Direct connection to large-scale grocery (food equity)
- Fast tracks affordable housing delivery
- A beacon to culturally inspired First Nations themes in design and program; addresses principles of reconciliation – call to action No. 92
- Complements SCO/Bay redevelopment plan

Portage Place: Community Engagement Update

- Phase 1 Engagement Report Issued September 2023

- Phase 2 Engagement via 5 in-depth stakeholder workshops and surveys conducted both online and at an in-person pop-up event at Portage Place Centre Court (316 responses received)

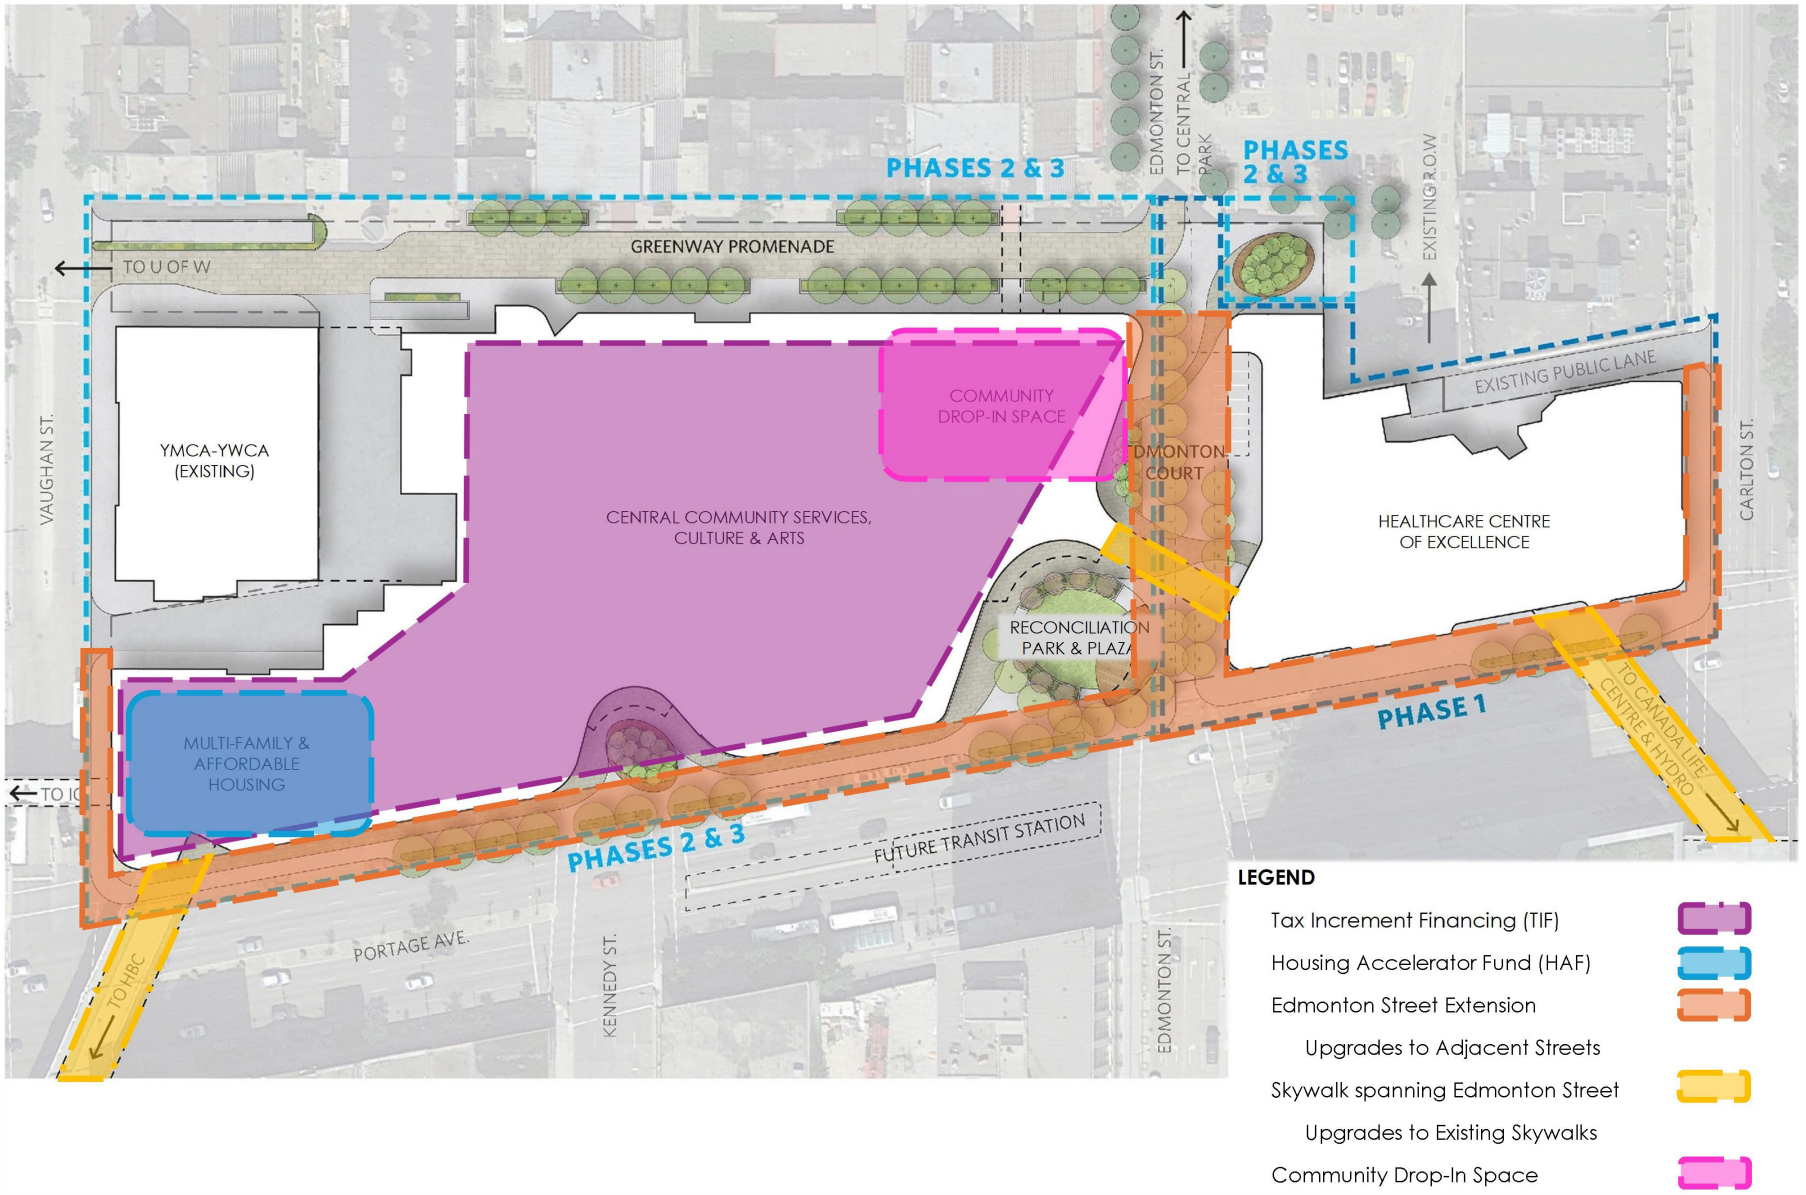

- Phase 2 Engagement Report
  - Currently circulating in draft
  - Report is being shared with the Working Group for review, allowing 1-2 weeks for feedback
  - Consultants will make any necessary revisions
  - Report will be finalized, published on the website and circulated to all levels of Government and FNP

- Key areas of focus and input within Phase 2:
  - Housing
  - Food Security
  - Culture & Arts
  - Public Spaces & Greenways
  - Neighborhood (Community) Services

SUMMARY: *There is strong support for the project, with 76.2% of respondents expressing satisfaction with the overall concept, 78.53% with the proposed amenities and services, and 71.15% with the redevelopment plan.*
