EXECUTIVE SUMMARY

The time limit for the Coming into Force provisions of By-law 69/2023, under File No. DASZ 13/2020, will expire on September 29, 2024. The Developer has not been able to satisfy all the conditions prior to expiry and has requested an extension of time to complete the necessary registrations at the Winnipeg Land Titles Office.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit to satisfy the Coming into Force provisions of By-law 69/2023 be extended to September 29, 2025.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations are concurred in, the Developer will be allowed a time extension to September 29, 2025, to complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On March 25, 2021, Council adopted Item No. 10 of the Executive Policy dated March 17, 2021, which recommended approval of a subdivision and rezoning to an “M2” Manufacturing General District and a “PR1” Parks and Recreation 1 (Neighbourhood) District under Winnipeg Zoning By-Law 200/2006. See Appendix “A” map attached.

On April 27, 2023, Council adopted Item No. 5 of the Report of the Standing Policy Committee on Property and Development, dated April 6, 2023, extending the time limit for enactment of the necessary rezoning by-law under File No. DASZ 13/2020 to March 25, 2024.

The rezoning By-law No. 69/2023 was enacted by Council on September 29, 2023.

Sections 3 and 4 of By-law No. 69/2023 stipulate the following:

Coming into force

3 This By-law comes into force when the plan of subdivision and the Zoning Agreement is registered at the Winnipeg Land Titles Office.

Extensions of time

4(1) Subject to subsection (2), this By-law will expire without coming into force one year after the date on which this By-law is enacted if:

(a) the plan of subdivision and the Zoning Agreement have not been registered at the Winnipeg Land Titles Office; and

(b) the owner has not applied for an extension of time.

4(2) This By-law will be deemed to have expired without coming into force on the date provided in subsection (1) when

(a) The owner has applied for an extension of time prior to the date provided in subsection (1); and

(b) Council denies the extension of time.

By-law No. 69/2023 has not come into force by the required registration of the Plan of Subdivision and the Zoning Agreement, and the one (1) year time limit is set to expire on September 29, 2024.

On July 15, 2024, the Applicant, 7475323 Manitoba Ltd., Attention: Paige Peach, 4 – 1090 McDermot Avenue, Winnipeg, Manitoba, R3E 3S6 applied for a second Extension of Time application and requested that the time limit to satisfy the Coming into Force provisions of By-law 69/2023 be extended to September 29, 2025 in order to complete the required registrations. See Appendix “B” attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable as circumstances leading to the original approval remain unchanged.
