PW3 I am against the 180 day delay. It is profoundly wrong for EPC to consider this request, after being reminded of their obligations under the law. It is my profound wish that staff will make use of this new 180 day delay to actually begin the first annual city safety report. Please recall that the city has been required to publish a report on each PE deployment, EVERY YEAR. How is it possible to pretend that this aspect of the enabling legislation does not exist?
