Water 1. While this final report has been delayed for another 180days, we learned last week that much has been done on this front. This info should be reported to EPC and to the public. Last week, we learned that staff has been busy on this, and has applied for funding from (EM) EFFICIENCY MANITOBA. With respect may I ask that the city ask EM to report on some of our buildings, while we await the staff report. Doing so would reduce the chances of another 180 day delay.
