3. MEETING SCHEDULE As we head into another year, we again see EPC set to meet too soon after the SPCs. Combined with a plethora of verbal-only reports, this serves to hide city hall business from public view, public scrutiny, and comment. Please have staff move EPC and Council meetings to be at least 5 days after those meetings expected to send business to the senior levels of meetings. There would be no need to waive rules on timing, if the schedule enables full compliance. While only obliquely related to topic #3, please require at least a written summary of every report, in every agenda.
