Minutes – Executive Policy Committee – October 16, 2024

REPORTS

Item No. 12 Zoning Agreement Amendment – 309 Wardlaw Avenue (Fort Rouge-East Fort Garry Ward) File ZAA 12/2024

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

The Executive Policy Committee concurred in the recommendation of the City Centre Community Committee and recommended to Council:

1. That the Zoning Agreement dated November 24, 1986 (the "Zoning Agreement"), entered into pursuant to Development Application No. DAZ 270/86 and registered against title to the land described therein as Caveat No. 87-1838/1 be discharged in its entirety.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

DECISION MAKING HISTORY:

Moved by Councillor Duncan,

That the recommendation of the City Centre Community Committee be concurred in and forwarded to Council.

Carried

COMMUNITY COMMITTEE RECOMMENDATION:

On September 23, 2024, the City Centre Community Committee concurred in the recommendation of the Winnipeg Public Service and, via the Priority Rezoning Process, submitted its recommendation to the Executive Policy Committee.

PUBLIC HEARING SUMMARY

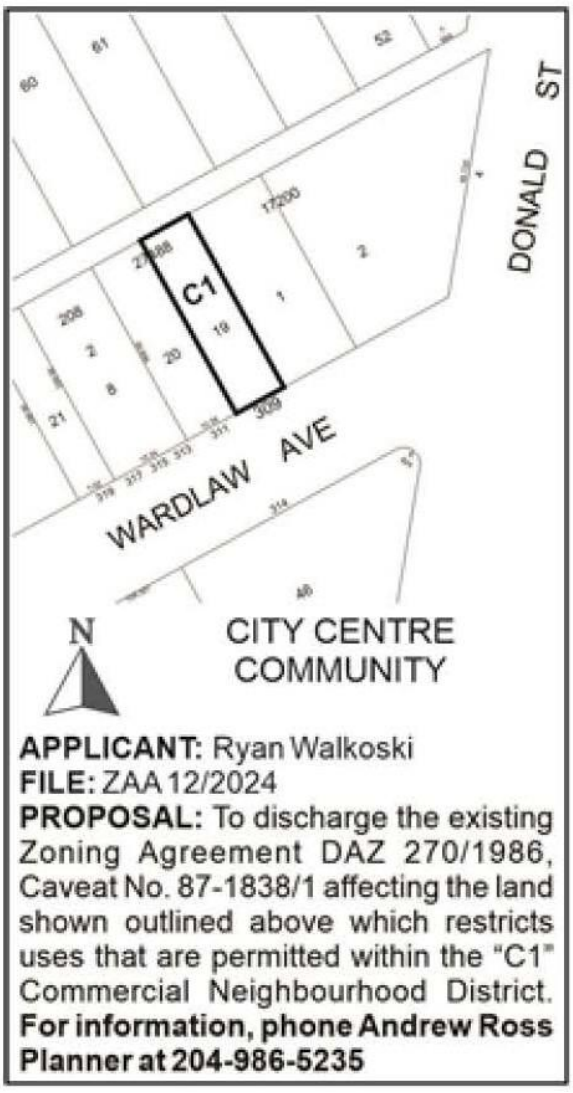

File: ZAA 12/2024

Before: City Centre Community Committee
Councillor Rollins, Chairperson
Councillor Orlikow

Public Hearing: September 23, 2024
Council Building, 510 Main Street

Applicant: Ryan Walkoski

Subject:

Premises Affected: 309 Wardlaw Avenue

For submission to: Executive Policy Committee

Prepared by: P. Prinsloo, Senior Committee Clerk
City Centre Community Committee

Report date: September 24, 2024

Community Committee Recommendation:

On September 23, 2024, the City Centre Community Committee concurred in the recommendation of the Winnipeg Public Service and, via the Priority Rezoning Process, recommended to the Executive Policy Committee:

1. That the Zoning Agreement dated November 24, 1986 (the "Zoning Agreement"), entered into pursuant to Development Application No. DAZ 270/86 and registered against title to the land described therein as Caveat No. 87-1838/1 be discharged in its entirety.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

The City Centre Community Committee provided the following supporting reasons for its recommendation:

1. While I do support the idea that you want to use it as an investment property for later, that's not really germane to me today. But what really was germane to me, was that we do have a new plan. That they work years on in the area. I don't say I don't care but I'm just saying my job, my job is looking at the different types of, layers of different policies.

2. That caveat is a little bit older. So I think the existing PDO for the area does supercede that. So based upon the administration's comments there, I see no reason why not to support the administration's support for this.

Exhibits Filed:

1. Application dated August 13, 2024
2. Notification of Public Hearing dated August 20, 2024
3. Manitoba Status of Title 3037566/1

ADMINISTRATIVE REPORT

Title: ZAA 12/2024 – 309 Wardlaw Avenue

Issue: For consideration at the public hearing for a Zoning Agreement Amendment to remove a restriction against Personal Services.

Critical Path: City Centre Community Committee – Standing Policy Committee on Property and Development – Executive Policy Committee – Council.

AUTHORIZATION

Author	Department Head	CFO	CAO
A. Ross, RPP, MCIP	n/a	n/a	

RECOMMENDATIONS

1. That the Zoning Agreement dated November 24, 1986 (the "Zoning Agreement"), entered into pursuant to Development Application No. DAZ 270/86 and registered against title to the land described therein as Caveat No. 87-1838/1 be discharged in its entirety.
2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

This report provides information and makes recommendations regarding the subject application's compliance with *The City of Winnipeg Charter*, section 249.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations of the Urban Planning Division are concurred in, the Zoning Agreement Amendment ZAA 12/2024 will be discharged.

HISTORY

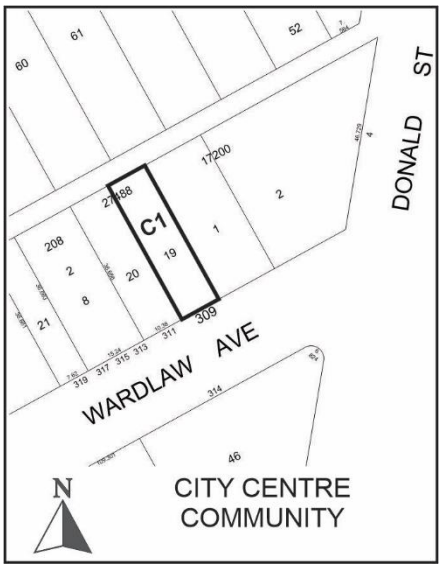

- In 1986, the property was rezoned to the “C1” – Commercial Community District with a Zoning Agreement prohibiting any principal uses onsite other than “Office”.
- The proposal for a “Personal Service” use is not currently permitted onsite and therefore the applicant is applying for the subject Zoning Agreement Amendment to discharge the 1986 caveat.

DISCUSSION

SITE DESCRIPTION

- The subject property is located on the north side of Wardlaw Avenue, 2 properties west of Donald Street, in the River-Osborne neighbourhood of the Fort Rouge – East Fort Garry ward.
- The property is located within a Mature Community under the *Complete Communities Direction Strategy 2.0.*
- The property is zoned “C1” – Commercial Neighbourhood, is 3,976 sq. ft. in size and contains a 2-storey commercial building.

Figure 1: Aerial Photo of Subject Site and Surrounding Uses (flown 2023)

SURROUNDING LAND USE AND ZONING (See Figure 2)

North: Rear lane, then multifamily dwellings zoned "RMF-M" – Residential Multifamily - Medium.

South: Wardlaw Avenue, then gas station zoned "C2" – Commercial Community.

East: Office and surface parking uses zoned "C2" – Commercial Community.

West: Single family uses zoned "RMF-M" – Residential Multifamily - Medium.

Figure 2: Zoning of the site and surrounding area.

DESCRIPTION OF THE PROPOSED DEVELOPMENT

The applicant seeks to remove a caveat in order to support the future establishment of a Personal Service (Physio, Athletic, and Massage Therapy) in an existing 2-storey building.

ANALYSIS AND ISSUES

<u>COMPLETE COMMUNITIES DIRECTION STRATEGY 2.0 (CCDS 2.0)</u>

Per CCDS 2.0, the proposed development falls within the Established Neighbourhoods – Mature Communities policy area.

Policy 4.10 of this section states:

> *"Consider the establishment of new neighbourhood-focused, small scale commercial uses where at least one of the following criteria are met:*

d. The property contains existing non-residential uses or buildings that were not designed to accommodate residential uses."

And, policy 4.11 of this section states:

"Conserve traditional, fine-grained commercial store fronts where possible."

The property contains existing non-residential uses, and conserves a traditional, fine-grained commercial storefront, in alignment with the above policies.

OSBORNE VILLAGE NEIGHBOURHOOD PLAN (OVNP)

The OVNP contains the following policies most applicable to this property:

"6.1.1.B Commercial and employment uses in Mixed-Use Transition areas should be compatible in lot size, building scale, and character to the existing context (particularly that of the immediate block);

6.1.1.C New developments and additions will have a minimum height of two storeys and a maximum height of four storeys;

6.1.1.D Non-residential uses are not to emit any noise, odour, dust, smoke, or similarly objectionable operational characteristics detectable outside the building."

WINNIPEG ZONING BY-LAW 200/06

ZONING AGREEMENT AMENDMENT

The Urban Planning Division recommends approval of discharging the Zoning Agreement in its entirety because:

- The current restriction only allows for Office uses, prohibiting the establishment of Personal Services, which the Division believes are suitable for the location.
- The caveat was put into effect in 1986. Since 2006, development in Osborne Village has been governed by the *Osborne Village Neighbourhood Plan (OVNP)*. This statutory Secondary Plan outlines Council's newer policy objectives for the neighbourhood.
- Applicable OVNP policies allow for any type of commercial use on this property, provided it is physically compatible with the context, is 2-4 storeys in height, and does not present objectionable operational characteristics. The subject proposal meets all of these objectives.
- In addition, the "C1" zoning district is the lowest-intensity commercial zoning district. It limits commercial uses which may have a greater impact on neighbouring land uses.
- The Zoning Agreement also contains a requirement for City Centre Plan Approval. Now that the OVNP is in place, and Osborne Village Design Review by the Director is required, the Division believes this clause is also no longer necessary.
- Together, the *Osborne Village Neighbourhood Plan*, the zoning district of "C1", and the Osborne Village Design Review process provide sufficient measures to ensure that this property is developed in accordance with contemporary Council policy objectives without the subject caveat.

OTHER CONSIDERATIONS

PLAN APPROVAL

Once a future development application is submitted to the City to establish the new use on the property, any physical changes to the exterior of the building will be reviewed by the Department through the Osborne Village Design Review process.

SUMMARY

The Urban Planning Division supports the Zoning Agreement Amendment because:

- Together, the *Osborne Village Neighbourhood Plan*, the zoning district of "C1", and the Osborne Village Design Review process provide sufficient measures to ensure that this property is developed in accordance with contemporary Council policy objectives without the subject caveat.

OURWINNIPEG POLICY ALIGNMENT

City Building 6.40 - Commercial Areas

- Facilitate the redevelopment, infill, and expansion of existing commercial areas as the preferred method of accommodating new commercial development.

WINNIPEG CLIMATE ACTION PLAN ALIGNMENT

Strategic opportunity 4: Facilitate Compact, Complete Development and Increase Density

4.2 Ensure New Areas of Growth are designed According to the Principles of Complete Communities.

WINNIPEG POVERTY REDUCTION STRATEGY ALIGNMENT

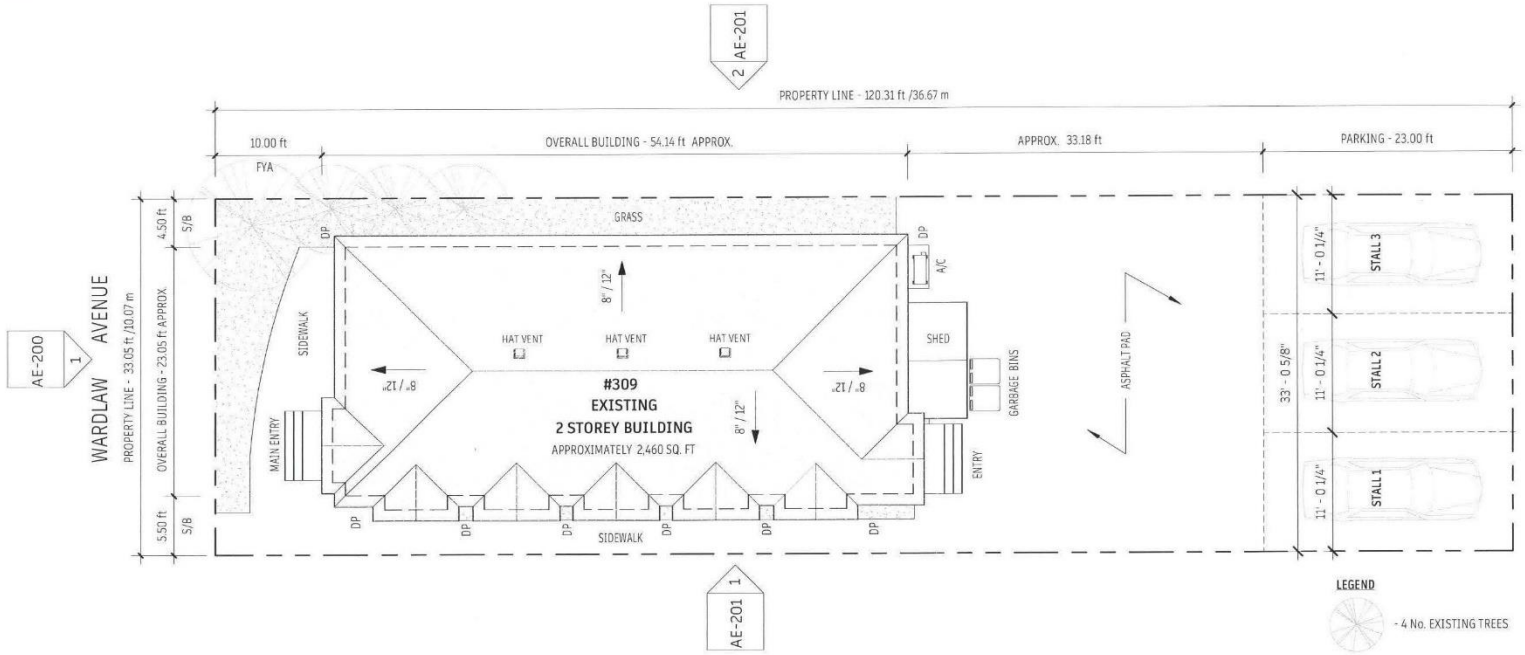

Consideration was given as to whether this report connects to any of the specific Goals and Objectives in the PRS and it was determined that the PRS is not applicable to this specific report.
