In this agenda item is the promise of an appendix spelling out this policy. It is missing.
Once again, we are promised that city hall will cut back on the use of big words. Where is the promise that "plain language" will also mean no more misleading spin and no more omitted facts, if they are inconvenient to "the narrative"? Plain language means more than short words. It means clear, concise and honest messaging. Does your missing policy statement say this?

Public engagement (optional)

I consent to being contacted to participate in potential public engagement related to this matter.
Yes
