I would like to support the recommendation to reduce the speed limit on Wellington Crescent to 30 km/h. With the number of cyclists and pedestrians going up every year on Wellington, more people will be in danger and at risk of accidents if the limit is not reduced. Wellington Crescent is for all Winnipeggers to enjoy, not just motorists. The number of routes for cyclists and joggers is small in this area, and allowing them to feel safe along this route without the danger and fear created by speeding motorists should be prioritized.
