Report 3: Supportive housing changes. EPC has been focused on increasing the number of such homes in Winnipeg. We do not see the number of folks who "graduate" from support into treatment. We see newly permitted homes in reports. We should be focused on net changes, and should see the reasons that homes are taken out of this supply. Rental Homes converted to condos, homes lost forever to fire, and those out temporarily for repairs should all be reported. Action to minimize these losses will help with the problem.
