2. STR rules. This 6 months delay is unfortunate; it can be put to good use. You should ask staff to change this request. Have any of you asked why Winnipeg is waging war on STRs, when longer term rentals are the real problem in our communities? Please direct your attention to real problems. This is clearly part of the Prime Minister's war on home owners. Have any of you seen his tweet vowing to take the keys for all of the 200k STRs in Canada? He clearly boasted that Canada's city councils would act as his henchmen in this scheme. I could see that hotels might lobby for this, as some might say that an STR competes with hotel services, but Mr. Trudeau has clearly taken ownership of this program.
