Storefront Manitoba is a charitable organization that advances critical discussion, exploration, and celebration of the design culture in Manitoba. Storefront's Table For 1200 brings together architecture, design, and the culinary arts to create a spectacular 'pop-up' outdoor dining experience with entertainment and stimulating conversation in an absolutely unique setting. It is Storefront Manitoba's annual fundraiser, and aims to raise awareness about the value of architecture, design, and urbanism.

Revenue from this events makes all of our free programming throughout the year possible including design installations across the city like Benchmark and Cool Gardens, public conversations about how to improve our city like "Values for a Liveable City" and "Frontlines", and the annual Winnipeg Design Festival.
