3. PROPOSED DEVELOPMENT

(1) Extension of Time.

4. BACKGROUND

(1) On January 18, 2021, the Standing Policy Committee on Property and Development, Heritage and Downtown Development concurred in the recommendation of the Winnipeg Public Service and

approved the sale of the Subject City Property, located between 35 and 39 Moore and identified as "Subject City Property" on Misc. Plan 10071/7 to 6727132 Manitoba Ltd. Status of Title 1081777/1 includes LOTS 123 and 124 PLAN 22841: these City Properties are not subject to this development application.

(2) On September 1, 2021, Riel Community Committee concurred in the recommendation of the Winnipeg Public Service, as amended, and recommended to the Standing Policy Committee on Property and Development, Heritage and Downtown Development File DAS 14/2021 for one new lot on Oustic Ave W and the amendment to require the proponent to consolidate the proposed two lots on Moore Avenue into one lot fronting Moore.

(3) On September 1, 2021, Riel Community Committee concurred in the recommendation of the Winnipeg Public Service, as amended, and approved a Variance on "the land" for the establishment of two (2) residential building lots to permit as follows:

1. On consolidated Lot 1 and 2:
B. A lot area of 4,540 square feet instead of 7,733 square feet.

3. On Proposed Lot 3:

1. *A lot width of 29.49 feet (8.98 metres) instead of 48 feet (14.63 metres);*
2. *A lot area of 2629 square feet (224.24 square metres) instead of 7733 square feet (718.4 metres).*

Subject to the following conditions:

1. *That the height of principal buildings shall be limited to a maximum of 30 feet.*
2. *That no front driveway approaches shall be permitted.*
3. *That there shall be no new garages constructed attached to any principal dwelling on the subject property.*
4. *That any principal dwelling located on the subject properties shall provide an entrance on the building elevation facing the front yard.*
5. *That each newly constructed dwelling shall be distinctly different from one another in terms of the design, and incorporate a balance of varying materials into the front façade.*

6. That the Owner must submit plans showing the location and design of any and all proposed:

1. *Buildings including elevations of the front façades identifying proposed finishing materials;*
2. *Accessory parking areas;*
3. *Fencing;*
4. *Landscaping*

on the Owner's Land ("Works") to the City's Director of Planning, Property and Development ("Director") for approval prior to the issuance of any building or development permit, and thereafter must construct the Works in substantial conformance with the approved plans and maintain the Works to the satisfaction of the Director.

7. That alcoves, bay windows, vestibules and similar building elements creating interior floor area shall be at least two feet from any side lot line, measured from the exterior finish of said building element

(4) On September 29,2021 Council concurred in the recommendation of the Standing Policy Committee on Property and Development, Heritage and Downtown Development and approved File DAS 14/2021 subject to conditions.

(5) On December 15, 2022, Council adopted By-law 156/2022 to approve a plan of subdivision for land located at 37 Moore Avenue in the Riel Community pursuant to Development Application No. DAS 14/2021.

(6) On January 25, 2024, Council approved an extension of time to December 15, 2024.

5. BACKGROUND

(1) The engineering team continues to work on the lot grading plan.

(2) The utility easement drawing completed by Barns and Duncan, has gone missing somewhere between MB Hydro and the private legal team working on this file: MB Hydro is re-doing the issuance of the paperwork.
