1. *on properties identified in Malls & Corridors PDO-1,*
2. *on mixed use corridors,*
3. *on frequent transit lines,*
4. *on rapid / express transit lines, or*
5. *in close proximity to southwest rapid transit stations;*

(v) includes the development of local water or sewer infrastructure that complies with all relevant City by-laws and policies to the satisfaction of the Director; and,

(vi) includes at least 10% of the dwelling units being rented in accordance with CMHC Mortgage Loan Insurance Criteria for a minimum of ten (10) years.

Subsection 7(3) added

6 Subsection 7(3) is added after subsection 7(2) as follows:

7(3) *In addition to subsection (2), with respect to a Multi-Family Sustainable Housing Infrastructure Grant at clause 4(2)(d), an applicant must provide a servicing report that is stamped and signed by a qualified engineer, and is compliant with the City's water and/or sewer by-laws, as well as all other applicable City policies and procedures.*

Clause 8(1)(g) added

7 Clause 8(1)(g) is added after clause 8(1)(f) as follows:

(g) with respect to a Multi-Family Sustainable Housing Infrastructure Grant at clause 4(2)(d),

(i) will require the applicant to demonstrate that there is an existing water and/or sewer service capacity constraint that is preventing the housing development from occurring, to the satisfaction of the Director, and

(ii) will require the applicant to provide a servicing report that is stamped and signed by a qualified engineer, and is compliant with the City's water and/or sewer by-laws, as well as all other applicable City policies and procedures.

Clause 8(2)(e) replaced

8 Clause 8(2)(e) is deleted and replaced with the following:

(e) a building permit for the development being obtained within 12 months after the approval is given or before any other deadline established by the Chief Administrative Officer in writing. This requirement does not apply to a Multi-Family Sustainable Housing Infrastructure Grant at clause 4(2)(d);

Clause 8(2)(e.1) added

9 Clause 8(2)(e.1) is added after clause 8(2)(e) as follows:

(e.1) with respect to a Multi-Family Sustainable Housing Infrastructure Grant at clause 4(2)(d), a building permit for the development being obtained by September 30, 2026 or before any other deadline established by the Chief Administrative Officer in writing;
