RE: By-law to correct numbering errors in By-law No. 66/2024

On December 12, 2024, Council passed By-law No. 66/2024 which amended Winnipeg Zoning By-law No. 200/2006 to rezone land located north of Hurst Way and west of Beaumont Street and to adopt PDO-2 Parker Lands as Schedule AA to the Winnipeg Zoning By-law.

It has come to our attention that Schedule AA contains several internal section reference and numbering errors.

Enclosed is an amending by-law to correct the aforementioned section reference and numbering errors. The within by-law does not prejudice the rights of any person and so I would ask that this amendment be brought to Council's attention by way of communication pursuant to s. 276 of the City of Winnipeg Charter.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge and Nicole Carnegie via email.

If you have any questions, feel free to contact me.

Thank you.
