I am writing to express my strong support for the rezoning of Lemay Forest to designated parkland. Lemay Forest is one of Winnipeg's last intact riparian forests, offering significant environmental, cultural, and historical value to our community.

Rezoning Lemay Forest aligns with Winnipeg's commitment to enhancing green spaces and promoting sustainable urban development.

I urge you to consider the long-term benefits of preserving Lemay Forest and to act in favor of rezoning this land to parkland. Doing so will ensure that this invaluable natural and cultural resource remains a cherished part of our city's heritage.
