This is an opportunity for council to be trailblazers in 2025 to preserve the Lemay Forest in support of Truth & Reconciliation, wilderness preservation, environmental and historical considerations, to name a few ... and to create a green space of paramount significance, which could become a new legacy for Winnipeg and the province of Manitoba. Follow the lead of other great leaders who also faced unsurmountable opposition, but who preserved for the benefit of the community at large e.g. Duff Roblin, Louis Riël.
