EXECUTIVE SUMMARY

This Administration Report provides information regarding the local improvement advertisements and subsequent objections (if any) that have been returned to the City of Winnipeg by property owners.

This report addresses the proposed local improvements and communicates the results of the local improvement advertisement to the area Councillors. No notice of objection for the local improvement projects proposed by this report were received and therefore are considered by the Public Service to be successful.

The Public Services recommends that these proposed local improvement projects proceed as part of the Local Improvement program in conjunction with the City of Winnipeg's Local Improvement Program.

RECOMMENDATIONS

1. That the following Local Improvement projects proceed as part of the Local Improvement Program which is funded 50/50 through the Local Improvement Program and the Public Works Granular Roads Capital account, namely:

<i>Local Improvement</i>	<i>Location</i>
Asphaltic Concrete Lane Pavement 16' x 5"	Approximately 16 feet wide (5 inches thick) on all lanes in the block bounded by St Mary's Road, Kirkdale Street, Monck Avenue, and Claremont Avenue.
Asphaltic Concrete Lane Pavement 16' x 5"	Approximately 16 feet wide (5 inches thick) on all lanes in the block bounded by Prosper Street, St. Catherine Street, Archibald Street, and Evans Street.

Asphaltic Concrete Lane Pavement 16' x 5"	Approximately 16 feet wide (5 inches thick) on the lanes in the block bounded by Highfield Street, Monck Avenue, Coniston Street, and Claremont Avenue.
---	---

2. That City Council enact a by-law to authorize the proposed local improvements outlined in recommendation 1 of this Report (draft by-law is attached as schedule 'A').
3. That the proper officers of the City be authorized to do all things necessary to implement the intent of the forgoing.

REASON FOR THE REPORT

Since the proposed Local Improvement Projects are within the St. Boniface Ward boundary, the Public Service requests that the Riel Community review the proposed local improvement projects and provide a recommendation to Council as to whether the said local improvement projects should proceed.

A by-law to authorize the proposed local improvement projects is required in order for the said local improvement project to proceed, and only Council may enact a by-law.

IMPLICATIONS OF THE RECOMMENDATIONS

Budget for the proposed local improvement projects is within the local improvement capital budget and the Public Works Granular Road capital accounts.

HISTORY/DISCUSSION

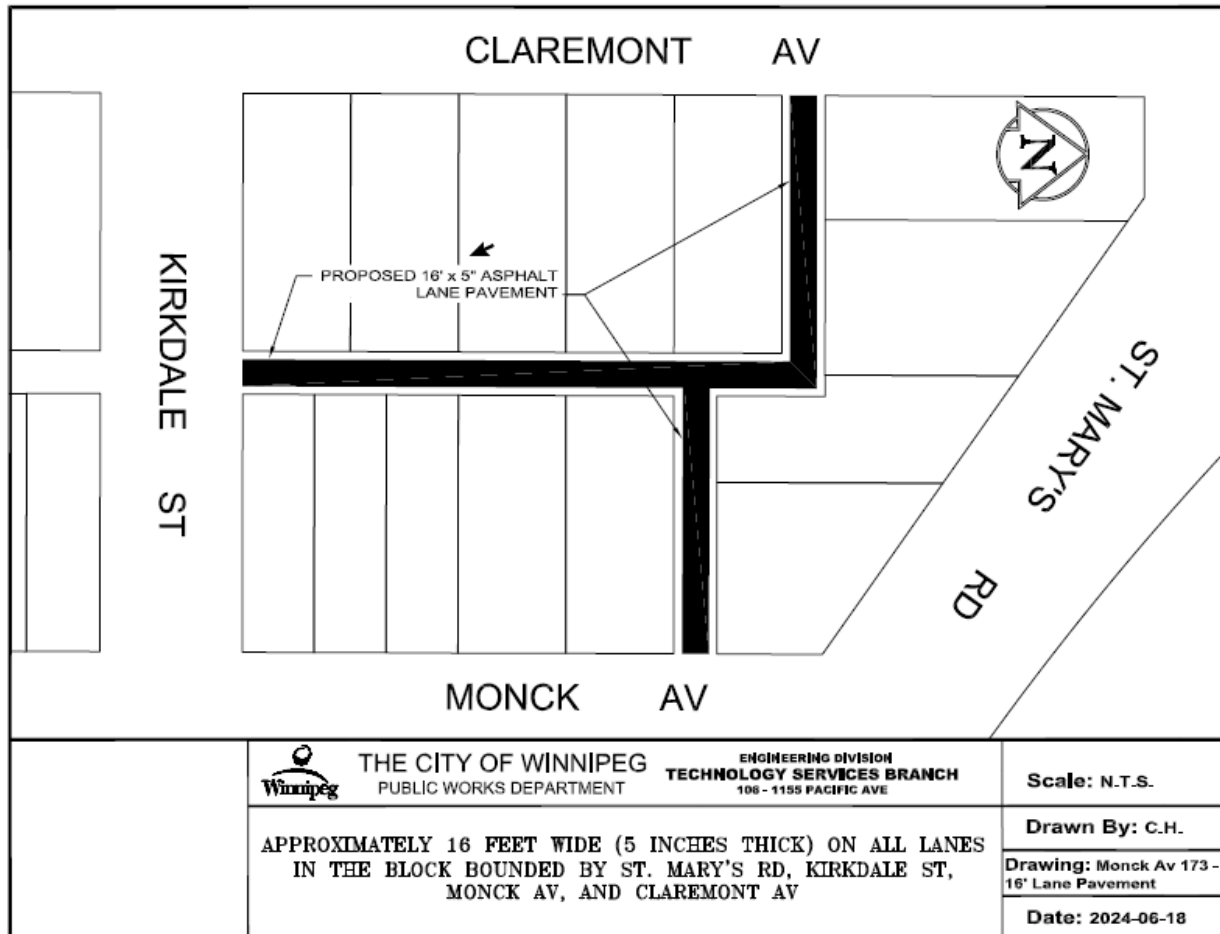

On July 19, 2018, City Council, adopted the recommendation that the Granular Lane Improvement program be extended for resident-initiated Local Improvements to pave granular lanes with asphaltic concrete based on a first come, first serve basis.

Council further directed that the current Local Improvement process be amended by extending the pilot project, adopted by Council on November 20, 2013, for an additional six years, expiring in 2025, whereby the City of Winnipeg will finance asphalt local improvements to the maximum of 50% of the total costs for asphaltic concrete pavement and consistent with current practice, the City will finance the cost of land drainage sewers required to implement the Local Improvement, and that the \$1,000,000 Granular Lane Improvement Program Fund (2018 Adopted Capital Budget 2-23) and the \$500,000 Land Drainage Sewers fund (2018 Adopted Capital Budget 2-231) continue to be utilized as a funding source for the City's share of the amended Local Improvement Program.

Asphaltic Concrete Lane Pavement 16' x 5"

Approximately 16 feet wide (5 inches thick) on all lanes in the block bounded by St Mary's Road, Kirkdale Street, Monck Avenue, and Claremont Avenue.

On June 26, 2024, a "Petition For" was issued to Allan Macpherson who resides at 173 Monck Avenue, for a proposed Asphaltic Concrete Lane Pavement Local Improvement Project within the Riel Community St. Boniface Ward boundary which is depicted in the following drawing.

A filling date of September 24, 2024 was determined for the original “Petition For” form to be returned to the City Clerk’s Department (90 days after the first signature is dated on the application).

The City Clerk’s Department received the signed “*Petition For*” form on August 28, 2024. As the petition was signed by the registered owners representing 63.1% of the total assessable frontage, it was recommended that this project proceed to be advertised.

On September 24, 2024, the Riel Community Committee received as information that advertisement of the proposed Asphaltic Concrete Lane Pavement Local Improvement Project proceed.

On November 5, 2024, this proposed local improvement project was advertised in the Winnipeg Free Press newspaper.

Per Section 409 of The City of Winnipeg Charter, objections to the proposed local improvement must be filed at least 30 days after the notice is published. A deadline of December 5, 2024 was published for filing of objections for this proposed Local Improvement Project.

Subsequent to the advertisement, the Manager of Taxation and Finance confirmed that a

"Notice of Objection" was not requested and no letters of objection were received by the City Clerk's office.

Per Section 411 of *The City of Winnipeg Charter*, where registered owners of at least 3/5 (60%) of the total real property that is to be benefited by a proposed local improvement object to the local improvement, the proposed local improvement must not proceed.

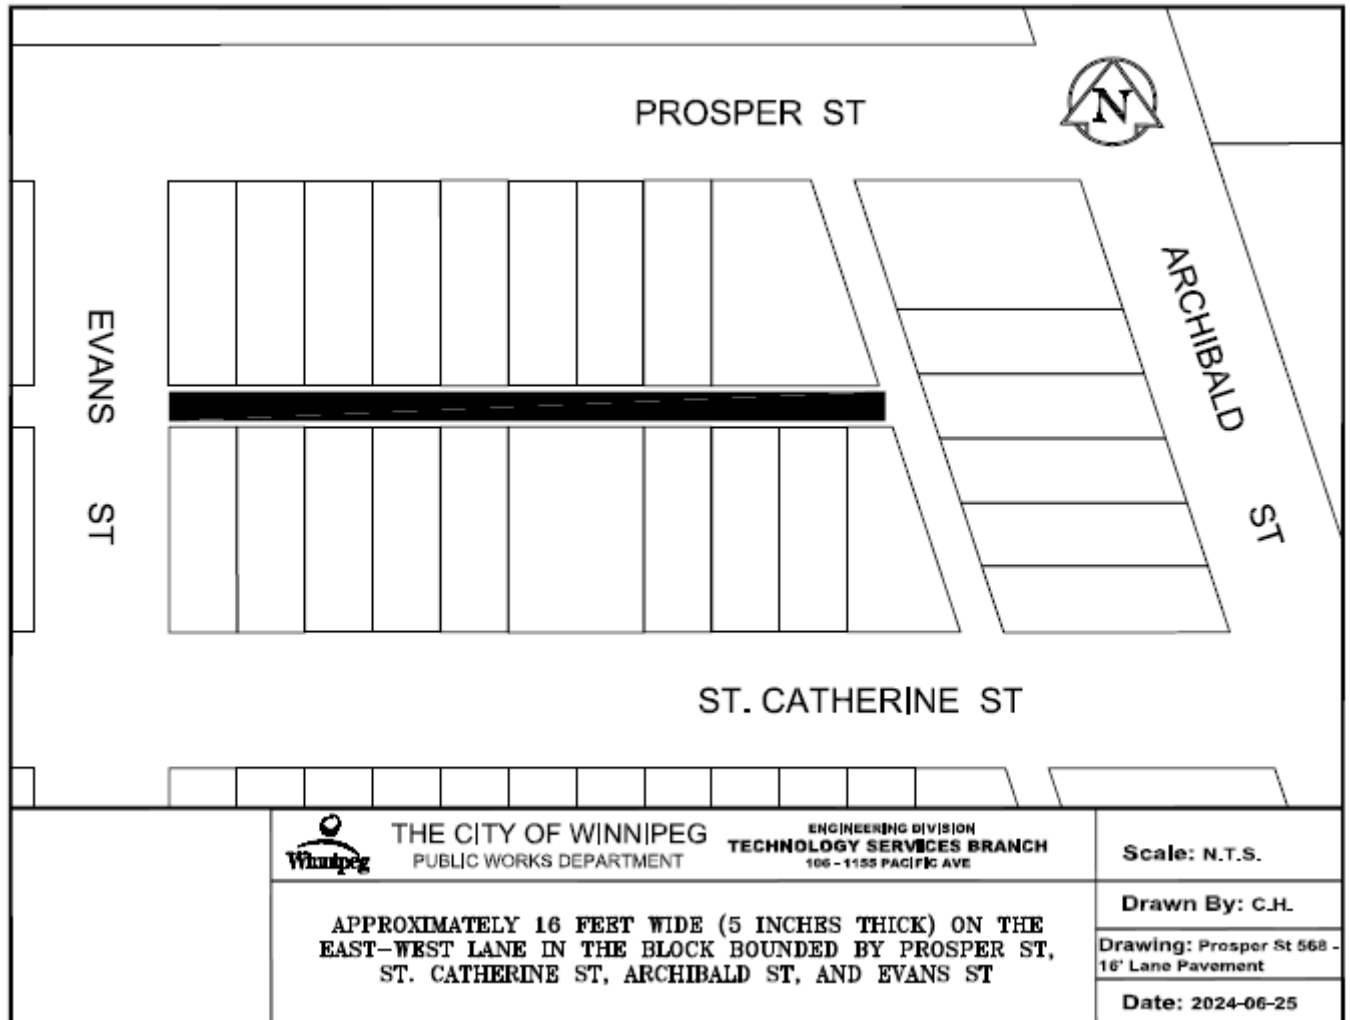

Given that no objections were received the 3/5 threshold has not been met, the Winnipeg Public Service recommends that this project **proceed** as part of the Local Improvement Program in conjunction with the City of Winnipeg's pilot project for Asphalt Lane Pavement. This project will be funded 50/50 through the Local Improvement Float and Public Work's Granular Roads Capital Account.

It is estimated that the total cost of the project is \$335,000.00 of which 28.98% is to be recovered from the registered property owners' share.
