Council,

I am writing in support of the agenda item to expropriate Lemay Forest. It is imperative that the ecological, cultural, and historical significance of this land be preserved. The City of Winnipeg must not allow the destruction of this green space that is home to so much wildlife and so much history. Saving the Lemay Forest will demonstrate a commitment by the City of Winnipeg to protecting the environment as well as its commitment to honouring the history that has taken place here.

Thank you,
Alexander Albert
