Lemay Forest is a site of cultural significance because children are buried there, and it's also an important wildlife corridor. Please support this motion to stop this land from being taken over by development. The City of Winnipeg has made commitments such as Winnipeg's Indigenous Accord and the Montreal Pledge for Biodiversity that ought to make taking action to protect Lemay Forest a natural choice. The Coalition to Save Lemay Forest is diverse and dedicated and has support from thousands of other Winnipeg residents (including me!). We are counting on you to make the right choice today!
