I've lived in St. Norbert all my life, with all the land in and around Winnipeg why would you allow anyone to develop an area as beautiful as this it would be a shame. I've walked on Lemay Ave. and the traffic at certain time of day is horrible, and you want to add another 2500 or so more people and vehicles on top of this. I'm afraid for our children and other people with the increase in traffic. The fact that it's already a bus route is bad enough now add more cars...why? I hope that you can find a way to avoid developing the forest.
