EXECUTIVE SUMMARY

The time limit for the Coming into Force provisions of By-law No. 65/2023 under File No. DASZ 54/2022 is set to expire on May 30, 2025. The Developer has not been able to satisfy all of the conditions prior to expiry and has requested an extension of time to complete the necessary registrations at the Winnipeg Land Titles Office.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit to satisfy the Coming into Force provisions of By-law No. 65/2023 be extended to May 30, 2026.

2. That in the event By-law No. 65/2023 does not come into force by May 30, 2026, this matter shall be deemed concluded, shall not be proceeded with, and that no further extension shall be granted.

3. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations are concurred in, the Owner will be allowed a time extension to May 30, 2026, to complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On May 30, 2023, Council adopted Item No. 9 of the Standing Policy Committee on Property and Development dated May 4, 2023, which recommended approval of a subdivision and rezoning to an "RMF-M" Residential Multi-Family (Medium) District under Winnipeg Zoning By-Law 200/2006. See Appendix "A" map attached.

The rezoning By-law No. 65/2023 was enacted by Council on May 30, 2024.

Sections 3 and 4 of By-law No. 65/2023 stipulate the following:

Coming into force

3 This By-law comes into force when the plan of subdivision and the Zoning Agreement are registered at the Winnipeg Land Titles Office.

Extensions of time

4(1) Subject to subsection (2), this By-law will expire without coming into force one year after the date on which this By-law is enacted if:

(a) the plan of subdivision and the Zoning Agreement have not been registered at the Winnipeg Land Titles Office; and

(b) the owner has not applied for an extension of time.

4(2) This By-law will be deemed to have expired without coming into force on the date provided in subsection (1) when

(a) The owner has applied for an extension of time prior to the date provided in subsection (1); and

(b) Council denies the extension of time.

By-law No. 65/2023 has not come into force by the required registration of the Plan of Subdivision and the Zoning Agreement, and the one (1) year time limit is set to expire on May 30, 2025.

On March 14, 2025, Progressive Real Estate Ltd., c/o Geoff Milnes, 200-227 Stafford Street, Winnipeg, Manitoba, R3M 2J1, applied for an Extension of Time application and requested that the time limit to satisfy the Coming into Force provisions of By-law No. 65/2023 be extended to May 30, 2026, in order to complete the required registrations. See Appendix "B" attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.

OUR WINNIPEG POLICY ALIGNMENT

OurWinnipeg is the City of Winnipeg's long-range development plan. Applicable Policies for Recent Communities include the following:

6.1 Sustainable Urban Growth

- *The City must accommodate physical development that reflects this Plan's goals, and achieves a continuum of complete and connected communities over the lifecycle of the Plan.*

6.6 Intensification Target

- *Achieve the intensification target by making development in intensification target areas easier and more desirable and predictable, as directed by Complete Communities.*

6.16 Established Neighbourhoods

- *Designate Established Neighbourhoods within the Urban Structure, representing lands that will accommodate additional growth in a context-sensitive manner, while promoting the efficient use of land, cost-effective municipal servicing, enhanced housing choice and affordability, and conservation of green infrastructure and heritage resources and districts, as defined in Complete Communities.*

The proposed development application **does align** with OurWinnipeg because the design of the site and proposed use are context-sensitive development to the neighbourhood they are proposed for the following reasons:

- There are multi-family dwellings directly abutting the subject site to the west
- The proposed development maintains a maximum height of three stories and uses substantial setbacks and landscaping to create buffers between the abutting properties to the north, east, south, and west.

WINNIPEG CLIMATE ACTION PLAN ALIGNMENT

Strategic Opportunity #4: Facilitate Compact, Complete Development and Increase Density

• Key Direction 4.2:
Ensure new areas of growth are designed according to the principles of Complete Communities.

WINNIPEG POVERTY REDUCTION STRATEGY ALIGNMENT

Consideration was given as to whether this report connects to any of the specific Goals and Objectives in the Poverty Reduction Strategy (PRS), as well as the corresponding 2021-2023 Implementation Plan, and it was determined that the Strategy is not applicable to this specific report.
