EXECUTIVE SUMMARY

Ladco Company Limited (the Purchaser) has applied to close the portion of Ken Oblik Drive as shown on attached Misc. Plan No. 16048 (Appendix B) and aerial diagram (Appendix C). The street closing is being incorporated into the subdivision and rezoning application under File No. DASZ 4/2025.

The Public Service recommends approval of the proposed street closing. Before the streets are conveyed, they must be legally closed and declared surplus to the City's needs.

RECOMMENDATIONS

1. That the street closing proposed under File No. DAC 4/2024 shown on Appendix B be approved and the affected land be declared surplus to the City's needs, subject to:

    A. the approval of the conveyance of the land by Council or its delegated authority; and

    B. the Purchaser (or assignee), fulfilling all obligations and conditions of approval outlined in Appendix A to this report.

2. That, upon instruction from the Director, the City Solicitor prepare and bring directly to Council for enactment a by-law to facilitate the street closing (the "By-law").

3. That this matter will be deemed to be concluded and all approvals in connection with this matter will expire if the By-law is not enacted within 2 years following the date on which this report is approved by Council, unless:

    A. The Purchaser (or assignee) applies for an extension of time before the expiration of the 2-year period; and

    B. Council approves the extension of time.

4. That the By-law will expire and this matter will be deemed to be concluded if the By-law is not registered at the Winnipeg Land Titles within 1 year following the date on which it is enacted by Council, unless:

   A. The Purchaser (or assignee) applies for an extension of time before the expiration of the 1-year period; and

   B. Council approves the extension of time.

5. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

All street and lane closings must be considered by the Community Committee.

Before the street is conveyed, it must be legally closed and declared surplus to the City's needs. Council approval is required for all street and lane closings.

IMPLICATIONS OF THE RECOMMENDATIONS

All costs associated with the street closing are the responsibility of the Purchaser. There are no financial implications for the City of Winnipeg. Sale proceeds, if any, will be credited to the Land Operating Reserve.

HISTORY/DISCUSSION

Ladco Company Limited (the Purchaser) has applied to close that portion of Ken Oblik Drive shown as "Proposed Closing" on attached Misc. Plan No. 16048 (Appendix B) and aerial diagram (Appendix C). The portion of street being closed will be incorporated into the planned area for the subdivision application under File No. DASZ 4/2025. The development will establish R1-S and R1-M Residential Single - Family Districts. The Public Service recommends approval of the proposed street closing.

The proposed street closing will be conveyed to the Purchaser in accordance with this report and the provisions of the City's Declaration as Surplus and Sale of Property Policy PD-026 adopted by Council September 29, 2021. The shift/relocation of Ken Oblik Drive being done under DASZ 4/2025 requires that it is first closed and conveyed to the Developer. Based on Policy PD-026, the Purchaser will receive credit for road openings under DASZ 4/2025; more streets are intended to be opened than closed.

Manitoba Hydro, Centra Gas, BellMTS, Bell Canada, Rogers Communications and Flexnetworks have all indicated that they have no concerns or objections. Imperial Oil, Crown Pipeline Ltd., Teraspan Networks, Shaw Cablesystems, Telus Communications, Fibre.Ca Inc., Crown Pipeline Ltd., TC Energy, Canadian National Railway Company and Canadian Pacific did not respond to the request for comment on this application. The Public Service comments and/or conditions for approval of the proposed closing are detailed on Appendix A attached.

Plan No. 58256 registered in the Winnipeg Land Titles Office on November 5, 2015, legally opened Ken Oblik Drive. The portion of street proposed to be closed is currently unimproved and exists in a legal context only.
