INTER-OFFICE MEMORANDUM

FILE:	G.1/2025(213)	**DATE:**	April 16, 2025

RE: MBEA Enabling By-Law – Technical Amendment

Please find attached the above-referenced By-law amendment.

It has come to our attention that there was an error in Schedule A of the MBEA Enabling By-Law, namely:

1. In Schedule A, the Table relating to the Solid Waste By-Law includes the following placeholder language: “By-Law No. [INSERT BY-LAW NUMBER HERE]”. This placeholder language needs to be deleted and replaced with the assigned number associated with the new Solid Waste By-law, specifically “By-Law No. 30/2025’.

Enclosed is an amending by-law to correct the aforementioned error. Legal Services considers this amendment to be technical in nature and accordingly, Legal Services proposes that this amendment be brought to Council’s attention by means of communication.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge and Nicole Carnegie via email.

If you have any questions, feel free to contact me.

Thank you.
