Report – Standing Policy Committee on Property and Development – May 8, 2025

Item No. 8 Closing – Portion of Craddock Avenue East of St. Mary's Road (St. Vital Ward)
File DAC 1/2025

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On May 13, 2025, the Executive Policy Committee did not concur in the recommendation of the Standing Policy Committee on Property and Development and recommended to Council:

1. That the proposed closing under File No. DAC 1/2025 shown on Appendix B (the "Closing") be approved and the affected land be declared surplus to the City's needs, subject to:

    A. the approval of the conveyance of the land by Council or its delegated authority;

    B. the owner (or assignee) fulfilling their obligations under the administrative conditions of approval outlined in Appendix A of this report.

2. That, upon instruction from the Director, the City Solicitor prepare and bring directly to Council for enactment a by-law to facilitate the Closing (the "By-law").

3. That this matter will be deemed to be concluded and all approvals in connection with this matter will expire if the By-law is not enacted within 2 years following the date on which this report is approved by Council, unless:

    A. The owner or (assignee) applies for an extension of time before the expiration of the 2-year period; and

    B. Council approves the extension of time.

4. That the By-law will expire and this matter will be deemed to be concluded if the By-law is not registered at the Winnipeg Land Titles within 1 year following the date on which it is enacted by Council, unless:

    A. The Purchaser applies for an extension of time before the expiration of the 1-year period; and

    B. Council approves the extension of time.

5. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

ADMINISTRATIVE REPORT

Title: Proposed Closing of a portion of Craddock Avenue, east of St. Mary's Road
File No. DAC 1/2025

Critical Path: Riel Community Committee - Standing Policy Committee on Property and Development - Executive Policy Committee - Council

AUTHORIZATION

EXECUTIVE SUMMARY

Khokhar Law Group, on behalf of the owner of 1141 St. Mary's Road, has applied to close a portion of Craddock Avenue, east of St. Mary's Road as shown on Misc. Plan 16064 and the aerial diagram accompanying this report (See Appendices B and C). The owner wants to close and purchase the street area to facilitate redevelopment of 1141 St. Mary's Road.

The Public Service does not support the proposed street closing. The proposed street closing would limit the City's ability to collect recycling and garbage in the immediate area and potentially impact future plans to improve the intersection of St. Mary's Road and Abinojii Mikanah.

Should Council approve the proposed street closing, conditions of approval (administrative and utility comments) are outlined in Appendix A.

RECOMMENDATIONS

That the proposed street closing under File No. DAC 1/2025 not be proceeded with.

REASON FOR THE REPORT

All street and lane closings must be considered by the Community Committee.

Council approval is required for all street and lane closings.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no financial implications for the City of Winnipeg.

HISTORY/DISCUSSION

Khokhar Law Group, on behalf of the owner of 1141 St. Mary's Road, has applied to close a portion of Craddock Avenue, east of St. Mary's Road as shown on Misc. Plan 16064 and the aerial diagram accompanying this report (See Appendices B and C). The proposed street closing and purchase will facilitate a rebuild of the owner's restaurant (George's Burgers). The owner plans to demolish their restaurant building at 1141 St. Mary's Road, and construct a new, mixed-use multi-unit commercial and residential building, anchored by George's Burgers as its main commercial tenant.

Plan No. 1868 registered in the Winnipeg Land Titles Office on July 25, 1912 legally opened the westerly 25 feet as Rose Avenue.

Plan No. 2024 registered in the Winnipeg Land Titles Office on April 2, 1913 legally opened the southerly 25 feet as Rose Avenue.

By-Law 1192/76 changed the name from Rose Avenue to Craddock Avenue.

The closing application was circulated to City departments and utilities.

- If the street is closed, Manitoba Hydro/Centra Gas and BellMTS will require easements.
- Bell Canada, Rogers Communications, Flexnetworks, have all indicated that they have no concerns or objections.
- Teraspan Networks, Shaw Cablesystems, Telus Communications, TC Energy, Imperial Oil Fibre.Ca Inc., Crown Pipeline Ltd. and Canadian Pacific did not respond to the request for comment on this application.

The Public Service does not support the proposed street closing for the following reasons:

Water and Waste Department (Recycling and Garbage Services)

Due to the angled lane configuration between Craddock Avenue and Chesterfield Avenue, collection vehicles would be forced to enter/damage private property if Craddock Avenue is closed. Recycling and Garbage Services are not in favour of the road closure without an acceptable alternate collection vehicle plan.

Public Works Department

In order to facilitate future growth in the south end of Winnipeg, Abinojii Mikanah including the intersection at St. Mary's will need to be improved. The proposed development that will be facilitated by this closing is unlikely to be compatible with these improvements.

Public Works has met with the proponent on this issue and conveyed to them that the closure is not supported at this time.

Should Council approve the proposed street closing, conditions of approval (administrative and utility comments) are outlined in Appendix A.

CONSULTATION

This Report has been prepared in consultation with:
Legal Services Department (as to legal issues)
Geomatics Branch, Planning, Property and Development Department
Public Works Department
Transit Department
Water and Waste Department
Fire Paramedic Services

OURWINNIPEG POLICY ALIGNMENT

The proposed street closing does not contravene with any of the goals, objectives and policy priorities of OurWinnipeg development Plan.

WINNIPEG CLIMATE ACTION PLAN ALIGNMENT

The proposed street closing does not contravene with any of the Strategic Opportunities and Key Directions in the Climate Action Plan.

WINNIPEG POVERTY REDUCTION STRATEGY ALIGNMENT

The proposed street closing does not contravene with any of the specific goals and objectives in the Poverty Reduction Strategy (PRS), as well as the corresponding 2021-2023 Implementation Plan.

APPENDIX A – ADMINISTRATIVE & UTILITY COMMENTS

Should Council decide to approve the proposed street closing, it is subject to the following conditions:

Geomatics and Land Information Services

- The Purchaser(s) or assignee(s) must submit or cause to have submitted a Development Application (DASZ) proposing a plan of subdivision that creates a single lot or a plan of survey that creates a single parcel to facilitate consolidation of their adjacent holding with the portion of right-of-way being closed.

- The Purchaser(s) or assignee(s) is responsible for obtaining approval and meeting any necessary conditions in respect of the above noted Development Application.

- The Purchaser(s) or assignee(s) is responsible for all costs associated with the above-noted Development Application, the preparation of the closing plan, subdivision or survey plan, any associated documents, and the registration of all necessary documents at the Winnipeg Land Titles Office to facilitate the legal closing and conveyance of the closed public right-of-way.

- The closing plan mylars, closing by-law, land Transfer and any associated documents will be released together with the plan of subdivision and associated documents for registration in series at The Winnipeg Land Titles Office.

Water and Waste Department

There is an abandoned 50mm Water Main, an active 250mm Land Drainage Sewer Main (LDS), two Curb Inlets, and one Catch Basin (CB) and CB Lead within the proposed closing area. The existing LDS infrastructure must be able to drain the area. If the proposed lands are sold the new owner would take ownership of the LDS infrastructure.

Easements:

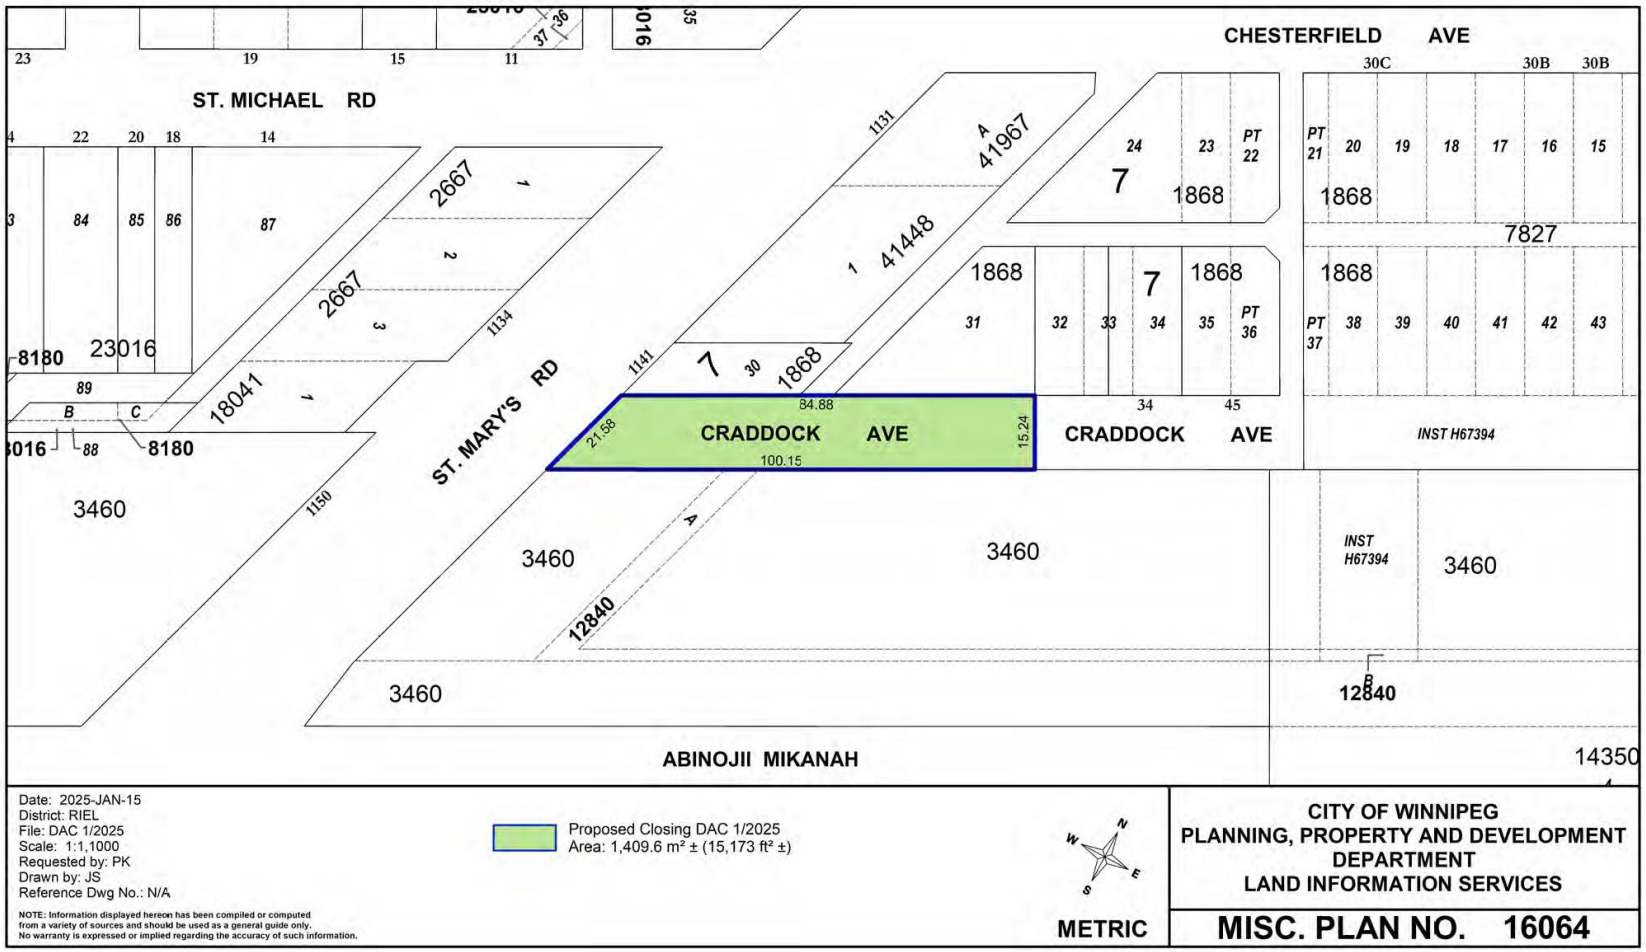

Manitoba Hydro/Centra Gas

Manitoba Hydro/Centra Gas and BellMTS have each identified facilities within Craddock Avenue for which easements will be required.

No permanent structures will be allowed within the easement areas as noted above, and easement agreements may be required to protect respective parties' interests.

Any removal or relocation of the facilities required as a result of the proposed closing will be at the expense of the Purchaser(s) or assignee(s).
