RECOMMENDATION

The Public Service requests that an extension of 30 days be granted to report back on the following:

1. That the Winnipeg Public Service be directed to report back to Council in July, 2025, on the implication the reduction in project scope for the North Garage Replacement Project has for the recently approved Winnipeg Transit Master Plan.

REASON FOR THE EXTENSION

The Public Service requires additional time as further work on the rescoping of Oak Point Garage is necessary as the bid open period for the construction award report has been extended. The Public Service needs to complete additional modelling to determine the effects to the Winnipeg Transit Master Plan based on the outcome of the rescoping work that is currently being done.
