RE: MBEA Enabling By-Law – Technical Amendment

Please find attached the above-referenced By-law amendment.

It has come to our attention that there was an error in the 2025 MBEA Enabling By-Law, namely:

1. In the table in Schedule “A” to the MBEA Enabling By-Law No. 59/2016 relating the Winnipeg Zoning By-Law No. 200/2006 is amended by deleting row 184.1(3):

184.1(3)	<i>Fail to comply with operational standards for signs</i>	500.00	250.00
----------	--	--------	--------

and replacing it with the following:

183.1(3)	<i>Fail to comply with operational standards for signs</i>	500.00	250.00
----------	--	--------	--------

Enclosed is an amending by-law to correct the aforementioned error. Legal Services considers this amendment to be technical in nature and accordingly, Legal Services proposes that this amendment be brought to Council’s attention by means of communication.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge and Nicole Carnegie via email.

If you have any questions, feel free to contact me.

Thank you.
