EXECUTIVE SUMMARY

On May 30, 2024, Council directed the Public Service to develop evaluation criteria for a long-term lease of 219 and 233 Provencher Boulevard and 212 Dumoulin Street. Along with le jardins des sculptures (sculpture garden), the garden and buildings are collectively known as Carré Civique de Saint-Boniface (Saint Boniface Civic Square). The Public Service intends to publicly market the Carré Civique de Saint-Boniface through the Request for Proposal process.

Prior to recommending the evaluation criteria to the Standing Policy Committee on Property and Development, the Public Service was instructed to consult with the Carré Civique de Saint-Boniface Board (the “Board”). The Board has been consulted and supports the evaluation criteria. The Board also made a request, which the Public Service supports, to amend their terms of reference to include additional financial oversight of an external property manager.

The Public Service recommends approval of the Request for Proposal Evaluation Criteria outlined in Schedule A for the lease of Carré Civique de Saint-Boniface.

RECOMMENDATIONS

1. That the proposed Evaluation Criteria for the long-term lease of Carré Civique de Saint-Boniface, attached hereto as Schedule A, be approved.

2. That the Terms of Reference for the Carré Civique de Saint-Boniface Board be amended as outlined in Schedule B.

3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

On May 30, 2024, Council approved the following recommendation:

> *"That the Public Service, in consultation with the Carré Civique de Saint-Boniface Board, develop evaluation criteria for a long-term lease of the City-owned Property for approval by the Standing Policy Committee on Property and Development."*

Council approval is required to amend the Carré Civique de Saint-Boniface Board terms of reference.

IMPLICATIONS OF THE RECOMMENDATIONS

If the Evaluation Criteria is approved, the Public Service intends to issue a Request for Proposals to publicly market the long-term lease of Carré Civique de Saint-Boniface.

Amending the terms of reference will allow the Carré Civique de Saint-Boniface Board to review the financial results of any external property management on site.

HISTORY/DISCUSSION

The Carré Civique de Saint-Boniface (Saint-Boniface Civic Square) is comprised of 219, 227 and 233 Provencher Boulevard, along with 212 Dumoulin Street. All buildings within the Carré Civique are designated as Historical Building Resources, which protects the structures from demolition. Weaving its way through the Carré Civique is le Jardins des sculptures (sculpture garden) which is a more recent addition to the property and represents/promotes Francophone art and culture.

In 2023, after an unsuccessful attempt to sell a portion of Carré Civique de Saint-Boniface, Council directed the Public Service to undertake public engagement for sale and lease options for the future use of the buildings. The engagement occurred between August 2023 and March 2024 and produced clear results. The overwhelming consensus of participants (French, English, Saint-Boniface residents, non-Saint-Boniface residents) indicated that 219 Provencher and 212 Dumoulin should remain as City-owned property and that the buildings important. The ownership model preferred by respondents was a long-term lease with a community organization.

On May 30, 2024, Council adopted the results of the public engagement. The Public Engagement Report now forms the basis of decisions to be made at the Carré Civique de Saint-Boniface. Other recommendations approved by Council included the creation of the Carré Civique de Saint-Boniface Board and direction to develop Request for Proposals criteria for a long-term lease of the Carré Civique de Saint-Boniface. The criteria requires approval from the Standing Policy Committee on Property and Development after consultation with the Carré Civique de Saint-Boniface Board.

In consideration of the Public Engagement Report and other stakeholder feedback, the Public Service recommends the Request for Proposals criteria outlined in Schedule A be approved. The criteria are mostly weighted toward public access and promotion of Francophone art, language, culture and history.

Previous evaluation criteria for the property did not appropriately factor in community needs. The Public Engagement Report shed light on what is needed at Carré Civique de Saint-Boniface to remain the heart of Saint-Boniface. The Carré Civique de Saint-Boniface Board supports the criteria as recommended.

If the evaluation criteria is adopted, the Public Service will form a committee to review the responses to the Request for Proposals, comprised of the following:

- Real Estate Branch
- Municipal Accommodations Division
- French Language Services
- Société de la francophonie manitobaine (external)
