Notes:

1) Overall, data presented is not representative of actual activity levels across the organization as there are some by-laws with missing data sets
2) Recent enforcement activity means one of the following was issued: warning, compliance order, remedial action, MBEA ticket and/or POA ticket/informations/summons
3) An empty cell denoted with "-" indicates the activity is happening in the department but is not being tracked so data is not available
4) Service Requests are primarily those received through 311 and do not include other types of requests for service
5) Collection of fines data are historical fines owing up until December 31, 2024
6) Winnipeg Police Service data is not included in these totals as the department is exempt from the Corporate Enforcement Strategy
