Moved by Councillor Mayes,
Seconded by Councillor Allard,

WHEREAS James Peebles shared the Nobel Prize in Physics in 2019;

AND WHEREAS Peebles is an astrophysicist, astronomer and theoretical cosmologist, who has made major contributions to theoretical cosmology in such fields as primordial nucleosynthesis and dark matter,

AND WHEREAS James Peebles is the Albert Einstein Professor of Science, emeritus, at Princeton University;

AND WHEREAS James Peebles grew up in St. Boniface and is a graduate of St. Vital's Glenlawn Collegiate (1953), making a park at the boundary of St. Boniface and St. Vital a fitting tribute;

2. That funding for the signage be approved from the Riel Community Committee Land Dedication Reserve – St. Vital Ward Allocation.

3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.
