

APPENDIX B

REPORT OF THE ADMINISTRATIVE COORDINATING GROUP

RE: PROPOSED SUBDIVISION AND REZONING OF LAND LOCATED AT 736 HANEY STREET, LOT 20 PLAN 4605 WLTO EXC FIRSTLY: THE SLY 60 FEET OF THE ELY 164.15 FEET, SECONDLY: PLAN 17572 WLTO IN RL 39 TO 41 PARISH OF ST. CHARLES

It is recommended that approval of DASZ 28/2025, if granted, be subject to the applicant entering into a Servicing Agreement containing the following conditions:

Section I – Plan Considerations

1. The Developer shall, at no expense to the City, legally open property required for the future William R. Clement Parkway described as proposed Lot 4, as shown on Map 2, as determined by and to the satisfaction of the Director of Public Works.

Section II - Servicing Conditions

1. Lot Line Servicing

The Developer shall provide a signed letter to the City of Winnipeg's Land Development Branch stating that:

- i) The Developer understands that they are responsible for the full costs to install separate sewer and water lot line services from the respective mains in Haney Street to the property line of the newly created Lots 1, 2 and 3; and,
- ii) If the Developer sells any of the newly created Lots 1,2 and 3 before they have installed the lot line services referred to above, they will undertake to inform the purchaser (new owner) in writing that the purchaser is responsible for the costs to install the lot line services referred to in i.

2. Lot Grading

- i) The Developer shall, at no expense to the City and prior to release of subdivision mylars for registration in the Winnipeg Land Titles Office, provide a lot grading plan, prepared by a municipal engineer, for the Planned Area, to the satisfaction of the Director of Water and Waste.
- ii) Prior to the issuance of any development permits in respect of the Planned Area, the Developer shall, at no expense to the City, construct all swales, catch basins and leads required by the accepted lot grading plan, to the satisfaction of the Director of Water and Waste.

- iii) Upon registration of the approved subdivision mylars in the Land Titles Office, the Developer shall, at no expense to the City, grant to the City and register easements in respect of all swales, catch basins and leads for lot drainage within the Planned Area.

3. Charleswood Transportation Levy

The Developer shall pay to the City, in cash, prior to the release of mylars, their share of the Charleswood Transportation Levy on proposed Lots 1 and 3.

4. Lot 4

The City shall pay the Developer for the lands described as proposed Lot 4, as shown on Map 2, in accordance with the City's Land Value Rate for 'all others'. The Land Value Rate at the time of payment applies.

5. Boulevards

- a) The Developer shall, at no expense to the City, sod, and plant trees on, all boulevards within and fronting on the Planned Area, all in accordance with City specifications and guidelines and, where required, with concept plans prepared by the Developer and submitted to, and approved by, the Director of Public Works.
- b) The Developer shall, at no expense to the City, maintain the sod for a period of one year and the trees for a period of two years, in accordance with specifications approved by the Director of Public Works.

6. Construction Traffic

- a) The Developer shall ensure that construction traffic uses access routes as determined by the Director of Public Works.
- b) The Developer shall maintain, at no expense to the City, the access routes in a clean, dust free and safe condition, free of dropped and tracked-on mud, and shall undertake regular scraping and sweeping of streets until building construction, including landscaping is complete, all as determined by and to the satisfaction of the Director of Public Works.

7. Utilities

- a) The Developer shall, at no expense to the City, cause underground electrical and telephone services to be installed to serve the Planned Area and will pay the full cost to convert any existing overhead services within the Planned Area to underground to the satisfaction of the Director of Public Works.
- b) The Developer shall pay all costs associated with the relocation of street lights and other utilities made necessary as a result of, or required to accommodate, the works to be constructed by the Developer to serve the Planned Area, as determined by and to the satisfaction of the Director of Public Works.

8. Litter and Refuse Control and Clean-Up

- a) The Developer shall, at no expense to the City, and of its own volition, initiate and control the regular cleanup of litter and refuse from the contractors and builders for this development, both on-site and off-site, during the installation of services and construction of buildings, until substantial completion of all construction, as determined by and to the satisfaction of the Director of Public Works.
- b) The cleanup of litter and refuse shall be done on a regular basis as determined by the Director of Public Works. This shall include initiating action and assuming any costs in remedying the situation to the satisfaction of the Director of Public Works.

Section III – Costs and Fees

1) By-laws and Approvals

The Developer shall pay all of its and the City's costs, fees, and expenses associated with the preparation and attainment of approval for registration of the Zoning By-law(s) and plan(s) of subdivision, including all Municipal Board, Land Titles Office and other fees and expenses, all survey, engineering and advertising fees and costs, and all expenses incidental to the preparation of this Agreement and the physical development of the Planned Area.

2) Professional Fees

- a) The Developer shall pay the full cost of all design services, including preliminary engineering studies, servicing reports, servicing criteria, construction drawings and specifications, and grading and landscaping plans and specifications, to be provided by Consulting Engineer(s) approved by the City, for the design of the municipal services, parklands, parkways and associated works required to serve the Planned Area;
- b) The Developer shall pay the full cost of construction and landscaping supervision services provided by or on behalf of the City for field inspection, preparation of progress estimates, provision of as-built drawings by March 31 of the year following substantial performance of the work, and all other engineering consulting services related to the installation and acceptance of municipal services, and all associated works to serve the Planned Area.

3) Administration Fees

The Developer shall pay to the City, prior to the release of the subdivision mylars for registration in the Land Titles Office, an administration fee plus applicable GST to help defray the City's administration and related costs associated with the preparation and implementation of the Development Agreement.
