RECOMMENDATION

The Public Service requests that an extension of up to 60 days be granted to report back on the Neighbourhood Growth Investment Reserve report requested by Council on June 5, 2025.

REASON FOR THE EXTENSION

The Public Service requires an extension of time to finalize the requested report to ensure potential program criteria align with modeling of financial impacts.

DECISION MAKING HISTORY

On June 5, 2025, Council approved amendments to the Winnipeg Zoning By-law no. 200/06 to allow as-of-right residential development of new two-unit, three-unit, and four-unit dwellings. As a condition of approval, Council directed the Public Service to report back in 120 days on the recommendations for the establishment of a Neighbourhood Growth Investment Reserve to be funded by a portion of incremental taxes related to new residential infill developments that includes:

- The specific purpose of the reserve and criteria for expenditures related to investments in city infrastructure and assets within the ward in which the development occurred.
- The proportion of incremental taxes per property related to new residential infill developments to be allocated to the reserve.
- The types of properties, including specific residential zoning designations, to which the reserve would apply.
