Item No. 5 Authority for Determining Completeness of a Development Application

STANDING COMMITTEE RECOMMENDATION:

On November 7, 2025, the Standing Policy Committee on Property and Development submitted the following to Council:

1. That the Winnipeg Public Service be granted an extension of time to the December 4, 2025 meeting of the Standing Policy Committee on Property and Development to report back on the following:

    A. Restore shared authority to declare a development application to be complete, matching the language prescribed in Part 2(B)(vi) of (*repealed*) By-Law 160/2011, so that "the Standing Policy Committee, Executive Policy Committee or the Director" would each hold the same authority as any other "designated employee" to determine whether a development application was complete, and

    B. Additionally require that if the Standing Policy Committee or Executive Policy Committee consider a motion to declare a development application to be complete, the mover of any such motion must also submit in writing reasons for the proposed declaration motion via a letter to the appropriate Committee Chair, copied to Committee members and the Chief Administrative Officer, for that motion to be in order.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.
