EXECUTIVE SUMMARY

The Public Service recommends approval of the 2026 equivalent annual discount rate the City of Winnipeg is offering to property and business owners who elect to pay their taxes in advance of the annual due dates in accordance with Section 334(3) of the City of Winnipeg Charter.

The City's estimated rate of return for the short-term investment is 2.65 percent and the six-month rate available to the taxpayer at RBC is 2.40 percent. Based on these rates, the Assessment and Taxation Department is recommending an annual equivalent discount rate of 2.40 percent, to incent taxpayers to pre-pay their taxes for a discount, while also enabling the City to earn investment income.

RECOMMENDATIONS

1. That prepayment discounts be given on payments received by the Assessment and Taxation Department during the months of January and February 2026 at the following discount rates:

Realty and Personal Property Tax – payable at par up to June 30th	**Face Value Discount Rate**	**Equivalent Annual Discount Rate**
January	0.977%	2.40%
February	0.796%	2.40%
Business Tax – payable at par up to May 31st		
January	0.783%	2.40%
February	0.601%	2.40%

2. That, pursuant to Subsection 334(3) of The City of Winnipeg Charter, Council enact the 2026 Taxes – Discounts for Prepayments By-law (draft by-law attached as Schedule A) to provide prepayment discounts of the City's 2026 Realty, Personal Property and Business Taxes in accordance with Recommendation 1 of this Report.

3. That the 2026 advertising of the prepayment discounts be limited to the City of Winnipeg website and social media accounts.

4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Subsection 334(3) of *The City of Winnipeg Charter* permits the City to provide for the allowance of discounts when taxes are prepaid, as stated below:

> *334(3) Council may pass by-laws in respect of real and personal property taxes and business taxes*
>
> *(c) providing that, when taxes are paid other than by installments, discounts at rates prescribed in the by-law may be allowed on amounts that are prepaid on account of those taxes by dates specified in the by-law.*

Council annually adopts a by-law establishing a discount rate that will financially benefit the City and, at the same time, provide an investment opportunity for taxpayers.

IMPLICATIONS OF THE RECOMMENDATIONS

If approved, the City will offer an annual equivalent discount rate of 2.40 percent on tax payments made in advance. This recommendation results in additional net revenue to the City of approximately $4,420, assuming the same volume of prepayments as were received in 2025.

HISTORY/DISCUSSION

The proposed discount rates are based on information received from the Financial Services Branch of Corporate Finance, which considers 2.65 percent as the City's short-term investment interest rate for 2026, which is lower than 2025. A discount rate of approximately 2.40 percent is considered to be fair to both the City and to the taxpayer.

The accelerated cash flow generated by the prepayment of realty, personal property and business taxes increases the City's short-term investment opportunities for the period January to June.

The 2025 accelerated cash flow generated by the prepayments of realty, personal property and business taxes was:

2025 Prepayments	$3,653,067
Less: 2025 Actual Discounts	49,443
	$3,603,624

Using the 2025 actual prepayment information, with the City's 2026 expected short-term investment interest rate of 2.65 percent, the following represents the interest income that could be expected in 2026 from depositing the tax prepayments:

2026 Projected Investment Income from Prepayments

	Estimated Prepayments (Based on 2025)	# of months invested	2026 Projected Investment Income
January			
Realty and Personal Property Tax	$3,037,486	5	$33,539
Business Tax	74,137	4	655
February			
Realty and Personal Property Tax	533,043	4	4,708
Business Tax	8,400		56
2026 Projected Gross Income	$3,653,066		$38,958
less: Discounts and administration costs			34,537
2026 Projected Net Income			**$4,421**

This program will be offered as a customer service initiative with full information posted on the Assessment and Taxation webpage and on the City's social media accounts. In addition, the 311 Customer Contact Centre will be prepared to handle phone calls on this program beginning in January 2026.

It is recommended that Council adopt a by-law to provide for prepayment discounts received by the Assessment and Taxation Department during the months of January and February 2026 at the following discount rates (next page):

Realty and Personal Property Tax – payable at par up to June 30th	**Face Value Discount Rate**	**Equivalent Annual Discount Rate**
