EXECUTIVE SUMMARY

John Scott Wintrup Planning & Development (the Applicant) is requesting an amendment to the Council Conditions for the subdivision and rezoning of land located at 122 St. Anne's Road under File No. DAZ 219/2022.

The proposed amendment requests to remove an obligation to requiring improvements to the surface of the existing gravel surface public lane abutting the rear of the property at 122 St. Anne's Road.

The Public Service has no objections to the request. If approved, the condition for a servicing agreement will be deleted.

RECOMMENDATIONS

1. That the Council Decision for the Rezoning – 122 St. Anne's Road (St. Vital Ward), File DAZ 219/2022, dated December 15, 2022, be amended to remove 1.B.- the requirement to enter into a Servicing Agreement.
2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required to amend the conditions previously imposed under the rezoning application.

IMPLICATIONS OF THE RECOMMENDATIONS

If the Recommendations of the Winnipeg Public Service are concurred in, the proposed amendment will remove the Developer's obligations to construct asphalt concrete pavements in the rear lane of the development.

HISTORY/DISCUSSION

Background:

On December 15, 2022, Council approved the rezoning of the property located at 122 St. Anne's Road under File No. DAZ 219/2022.

As part of this approval, Schedule B included a condition requiring the Developer to construct asphalt concrete pavements, including but not limited to land drainage facilities, within the public lane connecting Sherwood Place and Victory Place.

Request for Amendment:

The Applicant is requesting an amendment on the basis that the same lane works are proposed to proceed as a Local Improvement, anticipated to be approved on September 25, 2025, under proposed By-law No. 74/2025.

Public Service Position:

The Public Service has no objections to the requested amendment. The paving of the lane is the only obligation under DAZ 219/2022 that necessitated a servicing agreement. Given that the works will instead be delivered through the Local Improvement process, it is reasonable to remove the servicing agreement obligation from the Council conditions.
