EXECUTIVE POLICY COMMITTEE DECISION:

The Executive Policy Committee received the recommendation of the City Centre Community Committee as information.

DECISION MAKING HISTORY:

Moved by Councillor Lukes,

That the recommendation of the City Centre Community Committee be received as information.

Carried

COMMUNITY COMMITTEE RECOMMENDATION:

On November 24, 2025, the City Centre Community Committee passed the following motion:

WHEREAS the City Auditor has warned that Council has not been adequately briefed on the NEWPCC project;

AND WHEREAS the City Auditor further advised that infrastructure governance requires comprehensive reform and that both Administrative and Council reports are not currently "fit for purpose";

AND WHEREAS despite these warnings, the promised governance review has not been released in advance of Budget 2026;

AND WHEREAS governance of the municipal budget process has deteriorated over this Council term;

AND WHEREAS during Years 1 and 2, the Mayor committed to shared responsibility and a transparent, collaborative budget process, including through the establishment of a budget working group in which EPC members participated meaningfully;

AND WHEREAS in Year 3, as the multi-year tax rate increased from 3.5% to 5.95% and significant utility rate hikes were anticipated, the collaborative structure was abruptly abandoned;

AND WHEREAS a "Budget Savings Group" composed of three Councillors, appointed without public disclosure and operating outside the City's governance framework, assumed key budget functions without minutes, terms of reference, transparency, or accountability;

AND WHEREAS five wards including Fort Rouge–East Fort Garry; and River Height-Fort Garry were excluded entirely from this process;

AND WHEREAS the City of Winnipeg Charter assigns budget responsibilities to the Executive Policy Committee, and not to an ad hoc group without formal authority, bylaw mandate, or reporting obligations;

DECISION MAKING HISTORY (continued):

COMMUNITY COMMITTEE RECOMMENDATION (continued):

AND WHEREAS operating outside the approved governance structure undermines fair participation, the credibility of the budget process, and Council's ability to meet its fiduciary obligations to the public;

AND WHEREAS ongoing concerns persist regarding unrealistic revenue assumptions and opaque decision-making;

THEREFORE BE IT RESOLVED that the following be submitted to the Executive Policy Committee:
