Comments
Please show voters that this committee is not completely controlled by developers. You can do this by supporting the recommendation to consult Winnipeggers on tree protection on private land. In doing so, the EPC will progress. It will join many Canadian cities in tree protection from rampant construction damage. This will help Winnipeg reach its reforestation goal and protect citizens from climate change here.

Public engagement (optional)

I consent to being contacted to participate in potential public engagement related to this matter.
Yes

Personal information

First name
Bev

Last name
Pike
