Report of the Standing Policy Committee on Protection and Community Services dated May 30, 2002

Community Incentive Grant Application - Bunn's Creek Environmental Stewardship Association (Development of Educational Program)
File PR-2.6(33) (Vol. 10)

8. On May 22, 2002, Council adopted Clause 4 of the Report of the Standing Policy Committee on Protection and Community Services dated May 6, 2002 which approved a Community Incentive Grant in the amount of $20,000.00 to the Bunn's Creek Environmental Stewardship Association (Development of Educational Program) to assist with the development of an educational program in the North Kildonan Ward. In adopting this Clause, Council waived the following criteria:

A. The project is to make a significant contribution to the long-term benefit of the community-at-large in terms of improved facilities;

B. The project is not to compete with or duplicate other community facilities; and

C. The project is to clearly articulate a plan of activities including projected work schedules, material, labour, equipment and other project requirements and lead to the completion of a substantial physical product.

The Bunn's Creek Environmental Stewardship Association (Development of Educational Program) is now requesting the waiver of an additional criteria, namely, one hundred percent (100%) of the total project cost from the City and therefore would not be contributing fifty percent (50%) of the capital costs from its own sources.

On May 30, 2002, the Standing Policy Committee on Protection and Community Services concurred in the request from the Bunn's Creek Environmental Stewardship Association (Development of Educational Program) to waive the additional criteria.

The Standing Policy Committee on Protection and Community Services recommends:

I. That the Community Incentive Grant for the Bunn's Creek Environmental Stewardship Association (Development of Educational Program) project exceed fifty percent (50%) of the total project cost.

II. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing.
