RE: Winnipeg Electrical By-law

Please find attached the above-referenced By-law. This By-law is expected to be considered at:

- Standing Policy Committee on Property and Development on December 4, 2025
- Executive Policy Committee on December 9, 2025,
- and at the meeting of Council on December 18, 2025.

In the event that EPC approves of the by-law, please place the within By-law before Council for consideration at its meeting scheduled for December 18, 2025.

Please note that a number of minor corrections have been made to this By-law since it was originally submitted in draft version along with its associated administrative report.

As these various minor changes are to correct grammatical or typographical errors, and are considered to be technical in nature, Legal Services has determined that there is no need to update the associated administrative report.

An electronic copy of the By-law has been provided by me to Nicole Carnegie and Lorraine King via email.

If you have any questions, feel free to contact me.
