The Developer has not been able to satisfy all of the conditions prior to expiry and has requested an extension of time to complete the necessary registrations at the Winnipeg Land Titles Office.

The Winnipeg Public Service has no objection to this request.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations are concurred in, the Owner will be allowed a time extension to December 12, 2026, to complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On April 25, 2024, Council adopted Item No. 18 of the Standing Policy Committee on Property and Development dated April 11, 2024, which recommended approval of a subdivision and rezoning to a “TOD PDO-2 PARKER LANDS” Transit Oriented Development District and a “PR1 PDO-2 PARKER LANDS” Parks and Recreation 1 (Neighbourhood) District under Winnipeg Zoning By-Law 200/2006. See Appendix “A” map attached.

The rezoning By-law No. 66/2024 was enacted by Council on December 12, 2024.

Sections 3 and 4 of By-law No. 66/2024 stipulate the following:

Coming into force

3 This By-law comes into force when the plan of subdivision and the Zoning Agreement are registered at the Winnipeg Land Titles Office.

Extensions of time

4(1) Subject to subsection (2), this By-law will expire without coming into force one year after the date on which this By-law is enacted if:

(a) the plan of subdivision and the Zoning Agreement have not been registered at the Winnipeg Land Titles Office; and

(b) the owner has not applied for an extension of time.

4(2) This By-law will be deemed to have expired without coming into force on the date provided in subsection (1) when

(a) The owner has applied for an extension of time prior to the date provided in subsection (1); and

(b) Council denies the extension of time.

By-law No. 66/2024 has not come into force by the required registration of the Plan of Subdivision and the Zoning Agreement, and the one (1) year time limit is set to expire on December 12, 2025.

On December 4, 2025, MRA Planning + Development, c/o Michelle Richard, Unit A – 236 Osborne Street, Winnipeg, Manitoba, R3L 2W2, applied for an Extension of Time application and requested that the time limit to satisfy the Coming into Force provisions of By-law No. 66/2024 be extended to December 12, 2026, in order to complete the required registrations. See Appendix “B” attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
