1. That the Welcoming Winnipeg Policy be waived, and that the Public Service be directed to work with the area Councillor and the Manitoba Bangladesh Bhaban Corporation to commission and install a marker at the International Mother Language Plaza in Kirkbridge Park, as written in Schedule A.

SCHEDULE A

Language is a vital expression of cultural identity. The International Mother Language Plaza invites reflection on the importance of all mother tongues, fostering respect for diverse heritages and celebrating Canada's multicultural identity.

In 1999, UNESCO proclaimed **February 21** as International Mother Language Day to honour the Bangladeshi people's sacrifices in preserving their mother language, and to recognize the significance of all mother languages.

The sculpture, a replica of the **Shaheed Minar Monument** in Dhaka, symbolizes a mother bestowing the gift of language upon her children. The red sun behind her represents hope and freedom.

The Medicine Wheel acknowledges that this site stands on Treaty No. 1 Territory, the ancestral lands of the Anishinaabe, Ininew, and Dakota Peoples, and the National Homeland of the Red River Métis. It also recognizes the loss of Indigenous languages and the importance of their revitalization.
