EXECUTIVE SUMMARY

On July 18, 2024, Council asked the Public Service to talk with non-profit groups that might want to buy the City-owned buildings they rent.

On January 14, 2025, the Public Service started talks with Alhijra Islamic Foundation Inc., the tenant at 410 Desalaberry Avenue. The Foundation agreed to buy the property for \$150,000 and continue operating the Alhijra Islamic School.

The land recommended to be sold is marked as “Subject City Property” on Misc. Plan 11376/10 (attached as Schedule A). The remainder of the property will be retained by the City.

The Ward Councillor supports the proposed sale.

RECOMMENDATIONS

1. That the lands identified as “Subject City Property” on Misc. Plan 11376/10 (attached as Schedule A to this report) be declared surplus to the City’s needs.
2. That, subject to being declared surplus, the sale of the lands identified as “Subject City Property” on Misc. Plan 11376/10 be approved to Alhijra Islamic Foundation Inc. for the sum of One Hundred Fifty Thousand Dollars (\$150,000.00) is in accordance with the terms and conditions set out in Schedule B of this report.
3. That the City enter into, execute and deliver an Offer to Purchase Agreement with Alhijra Islamic Foundation Inc., an Amendment to the Existing Lease allowing continued use of the parking lot and any such other agreement determined necessary by the City Solicitor/Director of Legal Services to implement the intent of the foregoing (the “Ancillary Agreements”).

4. That authority be delegated to the Director of Planning, Property and Development to negotiate and approve the terms and conditions of the Offer to Purchase Agreement, an amendment to the existing lease with Alhijra Islamic Foundation Inc., and the Ancillary Agreement(s) in accordance with this report and such other terms and conditions deemed necessary by the City Solicitor/Director of Legal Services to protect the interests of the City.
5. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Pursuant to the “Real Estate – Declaration as Surplus and Sale of Property” policy adopted by Council on September 29, 2021, and amended on July 22, 2024, Council approval is required to declare all city lands surplus to the city’s needs.

Pursuant to the “Real Estate – Declaration as Surplus and Sale of Property” adopted by Council on September 29, 2021, and amended on July 22, 2024, approval by the Standing Policy Committee on Property and Development is required to approve all Sales, Land Exchanges and Sale settlement claims in excess of \$700,000.00 or where the sale price is less than 80 percent of the Appraised Value.

IMPLICATIONS OF THE RECOMMENDATIONS

If the property is sold, the existing lease needs to be amended to exclude the Subject City Property. Alhijra Islamic Foundation Inc. requires continued use of the parking lot (identified as part of the remnant City-owned property on Schedule A) which does not form part of the sale.

The Transformative Reserve Fund Policy requires that any net proceeds from the sale of Surplus Golf Courses or the sale of Surplus Leased Buildings, collectively known as “City Assets”, be reinvested and deposited into the Transformative Fund.

The City’s standard terms and conditions of sale include provisions to protect the City’s interests in the event that environmental contamination is discovered.

A Development Application (DASZ) will be required to complete the sale. The tenant will need to subdivide and rezone the Subject City Property to create separate lots for the building identified as “Subject City Property” and for the “Remnant City Property” identified on misc. plan 11376/10.

HISTORY/DISCUSSION

On July 18, 2024, Council directed the Public Service to begin negotiations with existing non-profit tenants, who are interested in purchasing the building they lease from the City. The Alhijra Islamic Foundation Inc. (the “Tenant”), which occupies 410 Desalaberry Avenue (the “Subject City Property”), expressed interest in acquiring the property they lease. The Tenant operates the

Alhijra Islamic School, which serves Kindergarten through Grade 9 students. The school currently has an enrollment of two hundred and thirty (230) students.

The Subject City Property was leased to the Tenant in 2004 for 25 years based on the terms and conditions contained in Schedule C and the premises outlined in Schedule D. The Tenant has invested over \$800,000.00 in the Subject City Property since entering the lease on items such as roof replacement, installation of a fire suppression system, replacement of the heating system, new flooring, and the augmentation of the facility to allow for the construction of two additional classrooms. The Tenant intends to build a 9,200 sq ft gym addition to allow for more classrooms to be constructed in the old gym area and increase the enrollment by one hundred (100) additional students.

On January 14, 2025, the Public Service began negotiations with the Tenant. The sale request was circulated to applicable City departments and public utilities for consideration and comments. All comments and concerns have been incorporated into the signed terms and conditions.

Water and Waste has critical infrastructure located throughout the parking lot area, including 1350 mm land drainage sewer and 2900mm storm relief sewer pipes. Therefore, the parking lot area was not included in the sale agreement to maintain continued access to the infrastructure.

Urban Planning advised that the purchaser would be required to rezone the property in order to maintain the existing use.

An appraisal was procured as part of its due diligence for the sale of the Subject City Property. The appraisal indicated a market value of \$1,895,000.00. The highest and best use is deemed to be the continuation of its current use as a school.

The Public Service sought to recoup its inventory cost on the Subject City Property and recommended a sale price of \$150,000.00 which was accepted by the Tenant. The Tenant will also be responsible for the cost to subdivide and rezone the Subject City Property and amend their existing lease to ensure continued use of the parking lot. The Tenant is required to continue operating the Alhijra Islamic School in the building for the next 40 years, or the land and building will revert back to the City.

The proposed sale of 410 Desalaberry Avenue aligns with Council's July 18, 2024, decision to approve the sale of leased City-owned buildings to non-profit tenants. Offering the property below market value helps ensure affordability for the purchaser while providing a modest financial return to taxpayers. This sale represents the best value for the City by eliminating the current \$1-per-year lease for the building, relieving the City of potential future maintenance costs, and avoiding any subsequent 25-year lease renewals under the same conditions.

The Planning, Property and Development Department has negotiated the Sale Agreement terms with Alhijra Islamic Foundation Inc. (see Schedule B) and seeks approval of the Proposed Sales Terms Sheet, with the sale expected to close in 2026 or 2027.
