Too many of the Reports upon which Council bases spending decisions include these words:

"As this report is for information purposes, there are no financial impacts"

This loophole is is used often, even when the idea involves big costs and benefits. Using the label "for info only" does not prevent a report from being used to justify spending.

Item 3 for SPC-PW calls for planning better, faster major routes across the city. This would save businesses and residents a lot of time and fuel. Making those routes better would cost a lot of tax dollars. NOT ZERO DOLLARS, in cost or benefits.
