Dear Mr. Pittet:

SUBDIVISION AND REZONING
Land located: Lambeth Road & Goldthorpe Crescent
Riel Community
File No. DASZ 32/04

An application has been received from ND Lea for approval of a plan of subdivision and related zoning change to Zoning By-Law No. 6400/94 by rezoning a portion of land from an “A” Agricultural District to a “R1-3.5” Residential District and consolidating that portion of land to allow for three (3) single-family residential lots.

RELATED FILES:

SITE DESCRIPTION:

Site Area:
The subject parcel has 134.19 feet of frontage along Lambeth Road and a total area of 13,419 square feet (.31 acres).

Existing Land Use and Zoning:
The property is currently zoned "A" Agricultural.

Surrounding Land Use and Zoning:

North: To the north are single-family homes zoned "R1-3.5" Single-Family Residential
South: To the south are single-family homes zoned "R1-3.5" Single-Family Residential
East: To the east is a mobile home park zoned "A-5" Agricultural
West: To the west are single-family homes zoned "R1-3.5" Single-Family Residential

DEVELOPMENT DESCRIPTION:
The applicants are proposing to rezone a portion of land currently zoned "A-5" Agricultural to R1-3.5 Residential and to consolidate that piece of land with another parcel currently zoned "R1-3.5" Residential for the purposes of creating a three (3) lot subdivision. Two of the new lots will measure 44 feet in width by 100 feet in depth (4400 sq ft) and one lot will measure 46.19 feet in width by 100 feet in depth (4,619 sq ft). All lots will front onto Lambeth Road.

Both Lambeth Drive and Goldthorpe Crescent are zoned R1-3.5 and are single-family residential in character. The proposed subdivision will create three lots which are consistent in size with the existing lots in the area.

Directly behind the proposed subdivision is a mobile home park. Currently, there is a six foot high fence separating the two properties. It is recommended that as a condition of approval, the fence be maintained.

PLAN WINNIPEG:
The subject land lies within the Neighbourhood Policy Area which allows for single family development proposals.

ADMINISTRATIVE COMMENTS:
The Planning and Land Use Division supports this proposal. The proposed rezoning and new lots are very much in character with the existing residential development in the Dakota Crossing neighbourhood and the creation of new infill housing is consistent with Plan Winnipeg Policy.

RECOMMENDATION:

I. That the plan of subdivision proposed under File No. DASZ 32/04 be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule "A" for File No. DASZ 32/04, attached hereto and dated October 8, 2004, for registration in the Winnipeg Land Titles Office, subject to the following:

A. That the Developer be required to enter into a Development Agreement with the City containing all the conditions outlined in the report of the Administrative Coordinating Group dated October 15, 2004;

II. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

III. That Zoning By-Law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for File No. DASZ 32/04, attached hereto and dated October 8, 2004, to a "R1-3.5" Residential District subject to the applicant entering into a Zoning Agreement with the City pursuant to Section 240 (1) of The City of Winnipeg Charter to, to include the following conditions:

A. A six foot high wooden fence shall be erected along the rear (east) property line of Lots 1-3 and along the south property line of Lot 1, where it is adjacent to private property, in the event that the existing wooden fence is removed.

.

C. Lot 3, in anticipation of a future extension of Goldthorpe Crescent to the northeast, shall be classified as a corner lot and all required setbacks for a corner lot in the "R1-3.5" Residential District, under By-Law No. 6400/94, shall apply.

IV. That a 10 percent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in market value of the land and the creation of additional sites.

V. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

VI. That the City Solicitor be requested to prepare the necessary by-law in accordance with the above.

VII. That the subdivision section of the by-law shall come into force and effect upon execution of the Development Agreement.

VIII. That the zoning section of the by-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office, and the Zoning Agreement has been filed by caveat in the Winnipeg Land Titles Office against those lands **provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.**

IX. The Plan of Subdivision shall be approved and signed by the Director of Planning, Property and Development within two (2) years of the date of passage of the aforementioned by-law.

X. In the event that the necessary City of Winnipeg mylar approval signatures have not been secured within 24 months after adoption of the by-law, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time.
