Setting 80% of HAF taxes aside for fun stuff? This item suggests that the incremental cost of servicing infill will be only 20% of the taxes collected.
Fun stuff sounds like a good idea.
The city has the data. Why has it not been presented with Item 6? We need an addendum requiring that data be presented supporting the 80% rate.

Public engagement (optional)

I consent to being contacted to participate in potential public engagement related to this matter.
Yes
