Minutes – Standing Policy Committee on Finance and Economic Development – February 6, 2026

REPORTS

Item No. 1 2025 Budget Adjustment - Planning, Property and Development

STANDING COMMITTEE DECISION:

The Standing Policy Committee on Finance and Economic Development concurred in the recommendation of the Winnipeg Public Service and approved the following:

1. That the Planning, Property and Development Department be authorized to overspend its 2025 operating expenditures budget by $1.47 million.

2. Subject to approval of Recommendation 1, the Planning, Property and Development Department be authorized to utilize projected under-expenditures of $1.02 million in salaries and benefits to offset projected over-expenditures in non-salaries and benefits accounts.

3. That the Proper Officers of the City be authorized to do all the things necessary to implement the intent of the foregoing.

DECISION MAKING HISTORY:

Moved by Councillor Allard,

That the recommendation of the Winnipeg Public Service be concurred in.

Carried

Fred Horbaty submitted a communication in opposition to the matter.

STANDING COMMITTEE RECOMMENDATION:

On January 16, 2026, the Standing Policy Committee on Finance and Economic Development laid the matter over to its meeting on February 6, 2026.

ADMINISTRATIVE REPORT

Title: Over-Expenditure Authorization for the Planning, Property and Development Department 2025 Operating Expenditure Budget

Critical Path: Standing Policy Committee on Finance and Economic Development

AUTHORIZATION

Author	Department Head	CFO	CAO
M. McGinn	R. Klassen (A/Director)	T. Graham	J. Dunford

EXECUTIVE SUMMARY

Based on the November 30, 2025, operating budget forecast, the Planning, Property and Development Department PPD is requesting authorization to overspend its operating budget by $450,000 subject to being authorized to utilize projected under expenditures on salaries and benefits to offset projected over expenditures on non-salaries and benefits account groups.

Salaries and benefits expenditures are projected to be under budget by $1.02 million while operating expenditures, net of recoveries, is projected to be over budget by $1.47 million. Overall, PPD is projecting to be over budget on expenditures by $450,000.

RECOMMENDATIONS

1. That the Planning, Property and Development Department be authorized to overspend its 2025 operating expenditures budget by $1.47 million.

2. Subject to approval of Recommendation 1, the Planning, Property and Development Department be authorized to utilize projected under-expenditures of $1.02 million in salaries and benefits to offset projected over-expenditures in non-salaries and benefits accounts.

3. That the Proper Officers of the City be authorized to do all the things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Approval by the Standing Policy Committee on Finance and Economic Development is required for additional operating expenditures, and to offset over-expenditures by transferring funds from salaries and benefits accounts to non-salaries and benefits accounts.

Clause 9.1 of By-Law No. 7100/97 states that "The Standing Policy Committee on Finance and Economic Development may approve additional appropriations to an operating budget including approval of reallocations of funds provided in an operating budget of the city for a purpose other than that set out in the budget, and approval of additional operating expenditures."

IMPLICATIONS OF THE RECOMMENDATIONS

Subject to Standing Policy Committee approval, the Planning, Property and Development Department will utilize under expenditures of $1.02 million on salaries and benefits to offset net over expenditures of $1.47 million on non-salaries and benefits account groups.

If the current projections hold, there may be a drawdown on the Financial Stabilization Reserve of up to $450,000.

HISTORY/DISCUSSION

The Planning, Property and Development Department is projecting to be over budget by approximately $1.47 million on non-salaries expenditures. The primary reason for this is a change in an accounting standard; specifically, Public Sector Accounting Board (PSAB) Section 3400 – Revenue. This change resulted in an unbudgeted transfer to the City Cemeteries Reserve of $1.33 million. Another contributing factor is grants-in-kind of $337,000. Recoveries are projected to be over budget by approximately $236,000, which reduces the net non-salaries and benefits over-expenditure to $1.47 million. To mitigate the impact of these items, it is recommended that under-expenditures on salaries and benefits be authorized to offset the over-expenditures. Each of these is discussed below.

<u>Over-Expenditure related to PSAB 3400</u>

The over-expenditure in 2025 is derived from Cemeteries Branch revenues recognized in 2024. Prior to 2024, the full amount of prepaid interment options (i.e. purchase of a plot/lot, niche/cremorial or scattering as well as the open/close fees) were deferred. That is, revenue was not recognized until a future year when interment took place. Beginning with the 2024 fiscal year, the City of Winnipeg was required to recognize revenue from the sale of property (i.e. plot/lot or niche/cremorial sales) in 2024 or earlier. As a result, $5.34 million in revenue was recognized at 2024 year-end.

The Cemeteries By-law (130/2007), Section 12 states that there will be a City Cemeteries Reserve created and that *"a sum equal to 25% of the purchase price of a lot, plot or cremated remains lot/plot, or a sum equal to 15% of a cremorial or niche purchase, or a sum equal to 10% of a scattering of cremated remains, set aside in the reserve, invested and applied to and for the perpetual care of the lot or plot or cremated remains lot/plot, cremorial, niche, scattering bed or ossuary area."* Historically, the transfer to the City Cemeteries Reserve was processed in March of the following year. In general, prior to 2024, Cemeteries revenue for plot/lot sales and niches/cremorials was consistent from year to year as was the transfer to the City Cemeteries Reserve. Given the "one-time" recognition of $5.34 million in revenue in 2024, the transfer to the City Cemeteries Reserve processed in 2025 was $1.33 million greater (i.e. an unbudgeted expenditure) than it would have been had PSAB 3400 not come into effect for 2024.

Grants-in-Kind for the Redevelopment of the Bay Downtown

On June 23, 2022, Council approved *"That a grant of up to $350,000 be approved to reimburse Southern Chiefs' Organization for the estimated cost of permit and planning fees paid on this project"* and *"that… an offsetting transfer from the Permit Reserve Fund to the current budget of the Planning, Property and Development Department, be approved."* The first permit fees payable (+/- $23,000) for this project occurred in 2024 with the remaining $337,000 being payable in 2025. The balance in the Permit Reserve Fund available for transfer to the Department's current budget is $nil so this $337,000 cannot be offset.

Recoveries

The primary reason for recoveries being over budget is the inclusion of unbudgeted recoveries of Housing Accelerator Fund initiative full-time equivalents (FTEs) totaling $191,000.

Salaries and Benefits Under-Expenditure

From 2020 to 2024, on average, the Department has exceeded its salaries and benefits budget by $170,000 (offset by a transfer from the Permit Reserve Fund). For 2025, the November forecast included a projected under-expenditure of $998,000 or 2.6%. This is attributable to two factors: one, an increase of 10 budgeted FTEs (staff resources required to meet Provincial permitting regulations) and higher than normal turnover resulting in several vacancies, some of which have been extended due to recruitment challenges.

Approval of Recommendation 1 of this report will enable the Department to utilize under expenditure on salaries and benefits to offset $1.02 million of the $1.47 million over-expenditure on non-salaries and benefits costs and thereby limit the potential drawdown of the Financial Stabilization Reserve to $450,000.

FINANCIAL IMPACT

Financial Impact Statement

Date: January 21, 2026

Project Name:

First Year of Program **2025**

Over-Expenditure Authorization for the Planning, Property and Development Department 2025 Operating Expenditure Budget

	2025	2026	2027	2028	2029
Capital					
Capital Expenditures Required	$ -	$ -	$ -	$ -	$ -
Less: Existing Budgeted Costs	-	-	-	-	-
Additional Capital Budget Required	$ -	$ -	$ -	$ -	$ -

Grants (Enter Description Here)	-	-	-	-	-
Reserves, Equity, Surplus	-	-	-	-	-
Other - (Enter Description Here)	-	-	-	-	-
Total Funding	$ -	$ -	$ -	$ -	$ -
Total Additional Capital Budget Required	$ -				
Total Additional Debt Required	$ -				
Current Expenditures/Revenues					
Direct Costs	$ 1,470,000	$ -	$ -	$ -	$ -
Less: Incremental Revenue/Recovery	-	-	-	-	-
Net Cost/(Benefit)	$ 1,470,000	$ -	$ -	$ -	$ -
Less: Existing Budget Amounts	1,020,000	-	-	-	-
Net Budget Adjustment Required	$ 450,000	$ -	$ -	$ -	$ -

Additional Comments: Direct costs consist of net over-expenditures in non-salaries & benefits accounts. Existing budget amounts represent an offsetting portion of the under-expenditure on salaries and benefits. A budget amendment will be processed to increase non-salaries & benefits account groups by $1.02 million and decrease salaries & benefits by an equivalent amount. **There may be a $450,000 draw down on the balance in the Financial Stabilization Reserve.**
