510 Main Street
Winnipeg, MB R3B 1N9
Re: Honourary Street Naming Bob and Judy Roehle

To whom it may concern;

Bob and Judy Roehle have been dedicated and passionate residents of the community of St. Norbert for decades. Their unwavering commitment has significantly enriched the social, cultural, and historical fabric of our neighbourhood. Bob Roehle played an instrumental and foundational role in the establishment of the **St. Norbert Farmers' Market**, a beloved community institution that has served as a vibrant gathering place, supported local agriculture, and become a cornerstone of community life for over three decades; and

Bob Roehle and his wife Judy were also a key founder of ***Group Action St. Norbert***, an organization dedicated to preserving the unique history, heritage, and character of St. Norbert for future generations. The combined efforts of Bob and Judy Roehle have left an indelible and positive mark on the community, demonstrating a profound spirit of volunteerism and civic pride.

It is for these reasons why City Council should consider an honourary street naming on behalf of Bob and Judy Roehle, acknowledging a legacy of community engagement and contributions to St Norbert and the City of Winnipeg at large.

What better location to bestow this honour than, De la Digue and Pembina highway, adjacent to the St. Norbert Farmers Market for this honourary street sign to be placed.

With my utmost respect,

Markus Chambers
Deputy Mayor City of Winnipeg
City Councillor / St. Norbert Seine River Ward
