EXECUTIVE SUMMARY

A business plan for the Winnipeg Fleet Management Agency (WFMA) is submitted to Council every year for approval. This is to ensure the WFMA's goals match with the City of Winnipeg's goals. The business plan allows WFMA to provide efficient and effective services to departments.

RECOMMENDATIONS

1. That the 2026 Business Plan for the Winnipeg Fleet Management Agency (WFMA), including the 2026-2029 budget, included as Appendix A and Appendix A-1 respectively, to be approved subject to adoption of the City's overall 2026 Operating and Capital Budget.

2. That the 2024 audited financial statements, included as Appendix A-2, to be received as information.

3. That the Fleet Accountability Report, included as Appendix B, to be received as information.

4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

WFMA is required to present an annual business plan to Council, in accordance with the WFMA Operating Charter.

IMPLICATIONS OF THE RECOMMENDATIONS

The attached 2026 Business Plan sets out WFMA's plans for the next three years, and it is a guiding document for WFMA's operations.

HISTORY/DISCUSSION

History Overview

On March 25, 1998, Council adopted the Policy and Framework for Alternate Service Delivery, which recommended that certain services be studied as potential candidates for service delivery outside of the departmental structure of government.

During 1999, the Public Works Department conducted a feasibility study of alternate service delivery options for those services provided by the Equipment and Material Services Division. The report was presented in June 2000, and it recommended that the Equipment and Material Services Division become a Special Operating Agency.

On October 18, 2000, Council approved the Alternate Service Delivery Committee's feasibility study recommendation that Administration produce a Business Plan and Operating Charter to convert the Equipment and Material Services Division to a Special Operating Agency. Further, Council approved that the Business Plan and Operating Charter be premised on the following principles:

- The Special Operating Agency maintain the existing dedicated customer base for a period of three years.
- The Special Operating Agency assume ownership of the fleet of its current customers.
- The Special Operating Agency have the authority to access the Equipment Replacement Reserve as a financing source for the replacement of equipment; and
- The Special Operating Agency has the authority to increase its customer base.

On May 28, 2003, WFMA received Council approval to operate as a Special Operating Agency of the City of Winnipeg, effective January 1, 2003.

2026 Business Plan Highlights

- Revenues and Expenses of approximately $56 million projected in 2026.
- Acquisition of Fleet Assets of $24.7 million projected in 2026.
- Approximately 2,168 vehicle and equipment units managed.
- 112 budgeted full-time equivalent positions (FTEs) in 2026-2029.
- Winnipeg Fleet Management Agency forecasts operating within its established debt limit through deferred replacement of fleet assets.

OURWINNIPEG POLICY ALIGNMENT

In alignment with the following: OurWinnipeg 2045.

“OurWinnipeg” Goal: Leadership and Good Governance:

- Committing to value, align and implement policy in decision making processes and procedures.
- Decision-making that is transparent, accountable, and evidence informed.
- Practicing sound and sustainable fiscal management of public funds.

Objective #1: **Establish and implement priority actions through evidence-informed decision-making process.** Evidence informed actions require transparent and accountable decision-making to determine the long-term public interest and the appropriate trade-offs in levels of service, taxation, and budget priorities.

Policies:

- 1.1 Organizational Alignment
- 1.4 Integrated Knowledge and Resources
- 1.5 Evidence-Informed Decisions
- 1.6 Results-Based Budgeting
- 1.9 Responsive Change Management
- 1.21 Strategic Procurement

“OurWinnipeg” Goal: Environmental Resilience :

- Providing responsible consumption, production, and end-of-life management of non-renewable resources.

- Eliminating sources of pollution, including carbon pollution, and other hazardous materials.
- Using evidence to inform decisions, monitor progress and implement actions.

Objective #1: Prioritize the transition to a resilient, low-carbon future through demonstrated organizational and community leadership, and collaborative actions that mitigate and adapt to a changing climate. Recognize that climate changes will have significant impacts on community assets and services, and include consequences for human health, social welfare, the natural and built environments, and ecosystems, the economy, and urban infrastructure. Adapt government regulation, policy, resource allocation, organizational culture and leadership, partnerships, and resident behaviours and awareness, to empower the community to realize the many benefits that emerge when mitigating greenhouse gas emissions, preparing for, and reducing risks to lessen the shocks, stresses, and other negative impacts of climate change.

Objective #2: Prioritize sustainable transportation as the mobility options of choice. Transition to a sustainable transportation system that safely and efficiently moves people, goods, and services, increases access to a variety of affordable mobility choices, encourages less reliance on personal vehicle travel, reduces travel time, mitigates congestion and related greenhouse gas emissions, and supports the development of denser, better-connected, healthy, and complete communities.

Objective #3: Promote low-carbon, energy-efficient buildings through low-energy building design, construction, and retrofitting.
Reduce energy demand, consumption and greenhouse gases associated with new and existing buildings, working towards carbon-neutral buildings. Provide facilitative tools, resources, and incentives, to support green building.

Policies:

- 2.1 Climate Action Targets
- 2.2 Climate Action Investment
- 2.3 Climate Action Leadership
- 2.4 Climate Resilient Growth
- 2.5 Climate Resilient Growth
- 2.7 Air Quality Conservation
- 2.11 Eliminate Fossil Fuel Dependence

“OurWinnipeg” Goal: Economic Prosperity:

- Pursuing innovation, setting sound priorities for development.
- Identifying and supporting key industry sectors of opportunity.
- Relying integrally upon a network of strategic partnerships.
- Procurer of goods and services.

Objective #1: Ensure transparent and predictable conditions are in place to support desired business growth through attraction, investment, and retention.
Create the conditions to support development and business growth that aligns with this

Plan's goals, through strategic municipal investments, regulatory processes, service delivery, research, communications, and partnerships.

Objective #2: Advance strategic economic opportunities through a focus on innovation. Grow the economy by providing opportunity for innovative technologies and industries, including those that can address significant and long-standing municipal issues through creative solutions and demonstrated leadership.

Objective #4: Make strategic use of community and regional assets to optimize local economic competitiveness. Enable resilient and diversified economic development that strengthens local business activities and workforce retention; connects people, goods, and services; and builds on industry sectors and investments that secure Winnipeg's long-term relevance in a competitive global economy.

Policies:

- 3.1 Strategic Enterprise Supports
- 3.2 Strategic Enterprise Supports
- 3.3 Economic Research and Innovation
- 3.4 Community Economic Development

WINNIPEG CLIMATE ACTION PLAN ALIGNMENT

Strategic Opportunity #1 – Corporate Leadership

Key Direction: 1.3 Encourage Sustainable Transportation Options

WINNIPEG POVERTY REDUCTION STRATEGY ALIGNMENT

Consideration was given as to whether this report connects to the Winnipeg Poverty Reduction Strategy (PRS) and its Goals and Objectives, and it was determined that the PRS is not applicable to this specific report.

THE CITY OF WINNIPEG

WINNIPEG FLEET MANAGEMENT AGENCY – SPECIAL OPERATING AGENCY

BUSINESS PLAN

2026

STRATEGIC OVERVIEW

Winnipeg Fleet Management Agency was established in 2003 as a Special Operating Agency, a Special Service Unit of The City of Winnipeg, delivering services and operating within The City's organization.

The Special Operating Agency concept permits WFMA to operate in a business-like and transparent manner, through managerial flexibilities including special delegations, exemptions, and authorities.

WFMA's strategic direction, as set out by its Operating Charter and Business Plan, places emphasis on managing for results, bottom-line accountability, customer satisfaction, and full disclosure.

MISSION
To provide economical, state-of-the-art, safe, and eco-friendly fleet vehicle, equipment and other asset management services to The City of Winnipeg and other public sector organizations, in support of their service delivery.

VISION
Be the most efficient public sector fleet service provider in Canada with a dedicated focus on innovation, safety, and customer service.

VALUES
1. Accountability.

2. Commitment to excellence.

3. Fairness.

4. Respect.

5. Trust.

GUIDING PRINCIPLES
1. Quality service to The City of Winnipeg.

2. Safety for employees and customers.

3. Financial accountability and sustainability.

MANDATE
To provide efficient and effective fleet vehicle, manufacturing and equipment management services to civic departments and other public organizations.

SERVICE GOALS

1. ***Develop innovative strategies and efficiencies through the introduction of new technologies and business processes that enhance fleet services across WFMA.***
   Strategies:

- Continue to collaborate with Municipal Accommodations to secure a location and the services of a consultant, to prepare a Basis of Estimate (BOE) budget for WFMA's Ross/Tecumseh administrative office, repair, and manufacturing operations future relocation.
- Continue with addressing recommendations highlighted in the Fleet Management Audit in collaboration with the CAO's office and civic departments.
- Continue with updating job descriptions within the agency in collaboration with Public Works Human Resources.
- Develop a fleet replacement planning and tracking data base with a link to the agency's fleet management information system.
- Continue working with departments to optimize AVL use through dashboards, exception reporting and operational implementation to improve workflows and accountability.
- Continue exploring procurement options through Canoe (Canadian cooperative buying group) in collaboration with Purchasing as a streamlined and expedient procurement option.
- WFMA to maintain compliance with the SAFE Work Certified Standard and re-certify in December 2026 with ongoing maintenance of the SAFE Work Certification Program including internal maintenance audits.
- Integrating WFMA safety training on Safe Work Procedures (SWPs) and Safety Directives into the Online Learning Management System (LMS).
- Participate in SAFE Driver Review Committees across departments and provide critical feedback to on incidents and prevention to stakeholders.
- Continue to explore ways to incorporate use of AVL data into vehicle incident investigation.

2. ***To be a leader in environmental stewardship through the management of WFMA's fueling infrastructure and promote fleet emission reductions.***

   Strategies:

   - Continue to explore opportunities to create an emission reduction strategy aligned with the City Climate Action Plan in collaboration with the Office of Sustainability.
   - Continue to investigate methods for tracking and reporting on fleet emission reduction technologies currently being utilized in the agency's fleet.

3. ***Optimize the operational and financial performance of WFMA's repair and manufacturing facilities to support the delivery of essential services to a diverse civic customer base.***

   Strategies:

   - Investigate the root cause of vehicle downtime through the agency's new Fleet Management Information System (FMIS) and develop a plan to improve the percentage of time vehicles and equipment are in service in collaboration with departments.
   - Continue to update and improve preventative maintenance scheduling for all fleet vehicles for reduced costs and align with current industry standards.

- Continue to explore opportunities to support technician and staff training to be able to assist with incorporating new and advanced technologies for all areas of WFMA with the goal of reducing downtime for fleet vehicles and increased workflow efficiencies.

4. ***Improve customer service and satisfaction through effective fleet service delivery.***
   Strategies:

   - Continue to collaborate with 311 on a system to track customer service complaints and feedback that identify customer needs and priorities for value-added service delivery.
   - Continue to Collaborate with civic departments to develop and implement Service Level Agreements (SLA's) for enhanced transparency, customer service, and accountability.
   - Continue to explore implementing an internal and external dashboard for reporting on key strategic Key Performance Indicators (KPI's) with a client-driven approach to status updates at WFMA.
   - Measure and evaluate customer service surveys to provide the Agency with a direct means to tailor services provided.
   - Maintain communications through regular customer meetings and customer fleet management information system portal, which provides accurate data to customers to assist in their fleet related decision-making processes.

SERVICE DELIVERY and GOALS RISK ASSESSMENT

Risk Event	Risk Impact	Risk Probability	Risk Severity	Risk Response
Insufficient funding for replacement fleet vehicles and equipment	Increased maintenance and downtime of aging fleet vehicles and equipment.	High	High	Prioritize replacements based on critical service impact.
Council mandates a greater or faster reduction in greenhouse gases	Unable to meet a new greenhouse gas reduction target with current infrastructure, complement of fleet vehicles and equipment, lack of funding and availability in the market.	High	High	Seek other methods to reduce greenhouse gas emissions such as reduced idling and alternative fuels; propane, hybrids.
Significant increase in delivery time for fleet vehicles and equipment	Increased maintenance and downtime of aging fleet vehicles and equipment.	High	Medium	Prioritize maintenance based on critical service impact and use external vendors as needed.

Insufficient funding to purchase zero-emission vehicles	Unable to meet greenhouse gas reduction target of Climate Action Plan, and unable to meet 100% zero-emission vehicle target by 2035.	High	Medium	Seek other methods to reduce greenhouse gas emissions such as reduced idling, alternate fuel use, and improved routing.
Shortage of repair and maintenance facilities	Delay in repair and maintenance to fleet vehicles and equipment leading to them not being available for user needs.	High	Medium	Prioritize repair and maintenance based on critical service impact and use external vendors as needed.

POLICY DIRECTION
Winnipeg Fleet Management Agency is a Special Operating Agency of The City of Winnipeg and abides by the City's collective agreements and by-laws. The City of Winnipeg Charter, Section 215, references the establishment and powers of Special Service Units. WFMA has its own Operating Charter approved by Council.

WFMA follows provincial regulations associated with the Environment Act, the Contaminated Sites Remediation Act, Workplace Safety and Health Act, and the Employment Standards Code.

SERVICES
WFMA delivers the following comprehensive fleet management services to City of Winnipeg departments:

1. Specification, inspection, and procurement.
2. Insurance, licensing, and registration.
3. Manufacturing and fabrication.
4. Vehicle and equipment leases, seasonal and short-term rentals.
5. Surplus fleet asset disposal.
6. Fuel.
7. Repair and maintenance.

Certain fleet management services are not provided to the Winnipeg Police Service Department's fleet, and the Winnipeg Fire Paramedic Service Department's Heavy Fire Apparatus fleet, including fleet supply with maintenance lease, repair and maintenance, and accident reporting. WFMA delivers fleet supply without maintenance lease service, applicable only to the Winnipeg Police Service department's fleet and the Winnipeg Fire Paramedic Service Department's Heavy Fire Apparatus fleet, as an alternate to WFMA's fleet supply with maintenance lease service.

WFMA's seven fleet management services are not provided to the Winnipeg Transit department's bus fleet, and certain fleet management services are not provided to the department's vehicle fleet including fleet supply with maintenance lease, fuel, repair and maintenance, and accident reporting. Fleet supply without maintenance lease service is not applicable to the Winnipeg Transit department's bus fleet and vehicle fleet.

WFMA provides manufacturing and fabrication, and fuel services to other public sector organizations.

PERFORMANCE MEASUREMENTS

CUSTOMER SATISFACTION
WFMA conducted a customer survey during 2025, which indicated that 49 percent of customers were satisfied with 2024 fleet management services.

CUSTOMER SATISFACTION	2022	2023	2024
Satisfaction rate	58%	64%	49%

OPERATING COSTS BY CATEGORY

City of Winnipeg operating costs, excluding the Winnipeg Transit department, the Winnipeg Police Service department, and the Winnipeg Fire Paramedic Service Department's Heavy fleet, are presented by fleet category, excluding off-road vehicles, as defined by the Municipal Benchmarking Network Canada (MBNC) initiative on a per kilometer basis, with the following components:

- Fuel is determined based on litres consumed by City departments at WFMA selling price.
- Repairs performed in-house by WFMA are determined based on labor hours at WFMA shop labor rates, and parts at WFMA cost with markup.
- Vendor repairs are based on WFMA cost with markup.

CITY OF WINNIPEG OPERATING COSTS BY FLEET CATEGORY *(in dollars per kilometer)*	**2022**	**2023**	**2024**
Light vehicles	0.47	0.60	0.55
Medium vehicles	0.90	1.08	1.12
Heavy vehicles	0.78	0.97	0.99

FUEL EFFICIENCY BY CATEGORY

City of Winnipeg Fuel Efficiency by Fleet Category

Fuel efficiency is reported for the City, excluding Winnipeg Transit and Winnipeg Police Service.

Heavy duty vehicles (in liters per hour)	8.9	8.9

ASSUMPTIONS TO THE PROJECTED FINANCIAL STATEMENTS

The projected financial statements include management's best estimates of future financial performance and incorporate the financial implications of WFMA's goals and strategies.

The financial projections are estimates of the financial position, operations and accumulated surplus, cash flows, and net financial liabilities using management's assumptions that reflect WFMA's planned course of action for the four years ending December 31, 2029.

Management's judgment has been used in the assumptions, with the most probable set of economic conditions. Some assumptions inevitably will not materialize, and unanticipated events and circumstances may occur after the date of this projection. Therefore, the actual results achieved during the projected period will vary from the projections, and the variations may be material.

The financial forecast and projections are based on prior year results of operations, with increases for annual inflation, except where otherwise described in the notes to projected financial statements, or as noted in these assumptions.

The 2026 to 2029 Projected Financial Statements and Notes are presented in Appendix A-1.

The 2024 Auditors' Report and Financial Statements are presented in Appendix A-2.

REVENUES

Fleet Leases
WFMA enters leases to supply and maintain vehicles and equipment to City departments for specified lease periods.

Fleet leases revenue is derived from WFMA's 2025 to 2028 fleet replacement plan, with current unit types and quantities assigned to City departments, and consists of the following revenue components:

- Fleet leases capital revenue reflects capital and financing costs, with lease terms and residual values based on lifecycle cost management principles.
- Fleet leases operating revenue is determined based on repair history by type classification and usage level, with an annual inflation factor.

Gain on Sale of Tangible Capital Assets
The gain on sale of tangible capital assets is based on estimated surplus sales.

EXPENSES

Amortization
Tangible capital assets are amortized based on cost less approximate residual value over estimated useful lives using the following rates and methods:

- Buildings; 4 percent to 8 percent straight-line.
- Fleet assets acquired at start-up; 30 percent declining balance.
- Fleet assets purchased; 1 to 15 years straight-line.
- Equipment; 3 percent to 30 percent straight-line.

Amortization is based on planned fleet acquisitions, with amortization rates and methods described in the Notes to Financial Statements, as listed in Appendix A-1.

Supplies
Fuel expense is determined from annual projected fuel sales net of a 10 percent markup.

Computer and safety expenses are based on estimated requirements.

Salaries and Employee Benefits
Salaries and employee benefits expense is based on collective agreements, and 112 budgeted full-time equivalent (FTE) positions in 2026. In 2026 pension, group insurance, dental, vision, and employment insurance benefits are projected at 18.8 percent of salaries.

WFMA operates 3 fleet service centers and one satellite repair facility, located across the City to provide repair and maintenance, and manufacturing and fabrication services. WFMA, beginning in 2024, also operates Central Stores. Operations has 90 budgeted FTE positions in 2026:

- 83 CUPE permanent FTE positions
- 7 WAPSO permanent FTE positions

Fleet lease, specification, inspection and contract administration, seasonal and short-term rentals, disposals, insurance, licensing and registration, and fuel services are provided with 11 budgeted FTE positions in 2026 as follows:

- 8 CUPE permanent FTE positions
- 3 WAPSO permanent FTE positions

Professional and Support teams, include 11 budgeted FTE positions in 2026 as follows:

1. Office of the Fleet General Manager.
    - 1 Out of Scope permanent FTE position
    - 1 CUPE exempt permanent FTE position
    - 1 CUPE permanent FTE positions
2. Finance.
    - 1 Out of Scope permanent FTE position
    - 1 WAPSO permanent FTE positions
    - 3 CUPE permanent FTE positions
3. Safety, Project Management and Customer Service.
    - 3 WAPSO permanent FTE positions

Services

Consulting, professional services and training expenses are based on estimated requirements.

External long-term lease expense is based on current long-term lease agreements.

Interest

Debt interest expense is based on current term loan debt agreements for existing debt and estimated long-term borrowing rates for projected term loan debt.

Due to The City of Winnipeg – General Revenue Fund interest expense is based on estimated short-term borrowing rates.

Other expenses

Other expenses include miscellaneous, provincial payroll tax, transfers to The City of Winnipeg, power tools, and other equipment.

Transfer to The City of Winnipeg – Municipal Accommodations Fund expense includes the following services provided by the Planning, Property and Development Department to WFMA:

- $557 thousand to $591 thousand annually in 2026-2029 for East Yards Repair Facility lease costs and $305 to $355 thousand annually in 2026-2029 for Central Stores lease costs based on information provided by the Planning, Property and Development Department.

Transfer to The City of Winnipeg – General Revenue Fund (Innovation Tech Service Cost and Public Works) expense includes the following services provided to WFMA:

- $618 thousand to $661 thousand annually in 2026-2029 for business technology service and salaries and benefits of four (4) FTEs for the Innovation Tech Service based on information provided by the Corporate Finance Department.

- $175 thousand to $185 thousand annually in 2026-2029 for Human Resource service, provided by the Public Works Department.

OTHER

Transfer to the City of Winnipeg – General Revenue Fund (Dividend)
Transfer to The City of Winnipeg – General Revenue Fund has been eliminated in 2024 and thereafter based on information provided by the Corporate Finance Department.

Debt/worth ratio is to be maintained at 4.1 or better for dividend eligibility, in accordance with WFMA's Adopted 2007 Business Plan, Operating Charter Section 5.10 Revision. Debt/worth ratio is determined as total liabilities divided by accumulated surplus, based on the Projected Statement of Financial Position contained in Appendix A-1.

PROJECTED DEBT / WORTH	**2026**	**2027**	**2028**
Debt/Worth ratio	4.4	4.2	4.5

LIABILITIES

Due to/from the City of Winnipeg – General Revenue Fund
Due to/from The City of Winnipeg – General Revenue Fund, acts as WFMA's line of credit for short-term financing, and is used for the purpose of acquiring fleet assets between the time when cash is needed and when term financing is arranged. The balance as of December 31st is repaid annually by WFMA during the following year, upon drawdown of term loan debt.

Debt
Debt is comprised of term loan debt, and The City of Winnipeg debt.

Term loan debt represents unsecured term financing for the purpose of acquiring fleet assets, payable to external lenders. WFMA is authorized to finance its operations through external sources under The City of Winnipeg Charter with respect to Special Service Units. Monthly payments are made on the principal and interest portion of the outstanding term loans.

The City of Winnipeg debt is held by WFMA on behalf of City departments for the purpose of acquiring communication equipment and is payable to City departments.

Debt is disclosed in the Projected Statement of Financial Position, contained in Appendix A-1.

PROJECTED DEBT *(in thousands of dollars)*	**2025**	**2026**	**2027**	**2028**
Term loan debt opening (Note 1)	$49,086	**$52,138**	$57,620	$69,688

Debt	$52,316	**$57,798**	$69,866	$73,195

Notes:

1) Term loan debt opening in 2025 is based on actual term loan debt as of December 31, 2024, and estimated for 2025 to 2028.

2) Proceeds from term loans in 2025 are based on actual loan drawdowns and estimated for 2026 to 2028 based on the December 31st prior year due to The City of Winnipeg – General Revenue Fund balance.

3) Repayment of term loans in 2025 is based on actual term loan amortization schedules and is estimated for 2026 to 2028.

4) The City of Winnipeg debt is based on the balance as of December 31, 2024.

Maximum debt was established at $65.3 million in WFMA's 2010 Adopted Business Plan, based on projected debt and due to The City of Winnipeg – General Revenue Fund line of credit. The debt limit had most recently increased to a total of $76.554 million in 2025 per the 2025 Business Plan. The 2026 budget and business plan include a revised maximum debt of $79.204 million including $0.35 million previously forecasted increase in 2026 and $2.3 million authorized in prior years.

PROJECTED DEBT LIMIT *(in thousands of dollars)*	**2026**	**2027**	**2028**
Maximum debt	**$79,204**	$79,554	$79,554
Debt	**(57,798)**	(69,866)	(73,195)

Debt Limit	**$7,109**	$8,085	$8,279

Borrowing Authority

WFMA previously requested Council approval for long-term borrowing authority on an annual basis in accordance with subsection 215 (4) of The City of Winnipeg Charter with respect to Special Service Units. Annual long-term borrowing authority enables WFMA to finance a portion of its operations from external sources for the purpose of acquiring fleet assets. Due to The City of Winnipeg – General Revenue Fund, line of credit, is included in the total cumulative borrowing authorization as established in WFMA's 2007 Adopted Business Plan.

Beginning in 2024, the borrowing authority request is included with the capital borrowing authority request for the rest of the City of Winnipeg. Details regarding the calculation for that request for borrowing authority of $11.626 million in 2026 are included below.

Cumulative borrowing authorization is determined based on accumulated long-term borrowing authority approved by Council in WFMA's Adopted Business Plans, and The City of Winnipeg Adopted Operating Budgets, net of accumulated proceeds from term loans.

PROJECTED BORROWING AUTHORITY *(in thousands of dollars)*	**2026**	**2027**	**2028**
Proceeds from term loans	**$16,000**	$23,000	$15,000
Due to The City of Winnipeg – General Revenue Fund	**14,297**	1,604	(1,920)
Debt limit	**7,109**	8,084	8,279
Cumulative borrowing authorization opening (Note 1)	**(26,380)**	(21,406)	(9,689)
Annual Long-term Borrowing Authority	**$11,626**	$11,283	$11,671
Cumulative borrowing authorization opening (Note 1)	**26,373**	21,406	9,689
Proceeds from term loans	**(16,000)**	(23,000)	(15,000)

Cumulative Borrowing Authorization	**$21,406**	$9,689	$6,359

Note:

1) Cumulative borrowing authorization opening in 2026 is based on actual borrowing authority net of actual term loan draws cumulative to 2025 and is estimated for 2026 to 2028. This includes $2.3 million of prior year authorized capital and City borrowing authority transferred to Fleet in the 2026 capital budget process.

NON-FINANCIAL ASSETS

Tangible Capital Assets

Tangible capital assets include fleet assets, land, buildings, and equipment. Tangible capital asset acquisitions are contained in the Projected Statement of Cash Flows in Appendix A-1.

PROJECTED ACQUISITION OF TANGIBLE CAPITAL ASSETS *(in thousands of dollars)*	**2026**	**2027**	**2028**
Fleet assets	**$23,909**	$16,020	$15,670
Land, buildings, and equipment	**$771**	769	506
Acquisition of Tangible Capital Assets	**$24,680**	$16,789	$16,176

Fleet asset acquisitions are subject to future revision due to WFMA and City department decisions, and vendor availability. Fleet acquisitions in 2026 are estimated by fleet category as follows (in thousands of dollars):

- Medium, Heavy & Specialty Fleet $ 20,878
- Light Duty Fleet $ 3,031

Land, buildings, and equipment acquisitions are estimated based on operational requirements, and include leasehold improvements, shop equipment, office equipment, computer, power tools, and fuel equipment.

ACCUMULATED SURPLUS

Accumulated surplus is comprised of contributed surplus, and surplus.

Contributed surplus is $11,425 thousand, representing a transfer from long-term debt due to The City of Winnipeg, excluding funds specified for City department communication equipment, as of January 1, 2008.

Surplus consists of the following:

- Accumulated annual surplus (deficit), with the adoption of Canadian Public Sector Accounting Standards effective in 2010.
- Retained earnings, comprised of accumulated net income reduced by accumulated dividend transfers, in accordance with Canadian accepted accounting principles (GAAP) prior to 2010.
