EXECUTIVE POLICY COMMITTEE

MOTIONS

Minute No. 22
Moved by Councillor Angus,
Seconded by Councillor O'Shaughnessy,

WHEREAS in April of 2002, the Province of Manitoba released the report STRENGTHENING MANITOBA'S CAPITAL REGIONS: GENERAL PRINCIPLES AND POLICY DIRECTIONS, co-sponsored by the City of Winnipeg;

AND WHEREAS sections 2.2.2 and 2.2.4 of the report encourage the sharing of services among Capital Region municipalities as well as inter-municipal tax sharing in situations where it is practical and financially advantageous to all the municipalities involved;

AND WHEREAS there are currently plans for development of a new sub-division consisting of 157 acres with 350 +/- lots in the rural municipality of East St. Paul, inside the Perimeter Highway on a section of land that borders the City of Winnipeg;

AND WHEREAS the most effective and efficient process for development of said site would be a partnership between the rural municipality of East St. Paul and the City of Winnipeg, with both organizations providing some of the services needed for the sub-division development on a cost recovery basis;

AND WHEREAS there is the potential for benefits to the City of Winnipeg in terms of revenue sharing in the development of said site;

AND WHEREAS the development of the site is likely to occur with or without the participation of the City;

THEREFORE BE IT RESOLVED that the City of Winnipeg enter into discussions with the rural municipality of East St. Paul regarding the development of the new sub-division, with said discussions not limited to but including issues such as:

- services that would be provided by the City of Winnipeg
- development of formulas for complete cost recovery by the City of Winnipeg services provided such as water and sewer
- development of an agreement regarding future revenue sharing between the two municipalities for this and other similar projects.
